## Russia - Ukraine *Pray for Faith to Remain Strong*

*region in the Ukraine where our three brothers live, this destruction was happening 8 years prior...*

Maksim continues to minister to the brethren, speaking with them regularly and visiting who he can.

This weekend he is visiting an elderly sister who lives several hours outside of Omsk. She asked him to come help her since she can't do the physical yard and garden work that needs to be done.

Maksim continues to get many people reaching out to him to learn more about Bible truths and he spends hours each night talking with them on the phone or Skype.

*Please pray for physical, mental, emotional, and spiritual strength.*

### Pray For Our Brethren in Russia & Ukraine, and for All Affected

Pastor Maksim passed on a **BIG** thank you from our brothers in the Ukraine. They said they feel your prayers in their spirit, and they have seen God's protection first hand while walking in public and having mines explode and other things happen that injured people near-by, but they remained unharmed.

**They are standing firm in their Kingdom hope and ask their brethren to pray that their faith would remain strong.**

You can [DONATE HERE](#) to partner in Kingdom ministry in Russia and Russian-speaking countries. We hope to get him support in July.

Please pray for wisdom and opportunity in regards to getting support to Pastor Maksim.

# Faithful Servants in Pakistan

Pastor Haroon

After three months of intense evangelism and travel, Pastor Haroon and sister Maryam were able to take a week off and spend it relaxing with their four children. Now refreshed and having more booklets printed, they are back taking the good news to Catholics and others who are willing to listen.

A BIG thank you to those who donated so the booklets could be reprinted once again. This is an ongoing need and if you would like to donate you can do so [here](#).

Thank you for your prayers for Pastor Haroon; he now has a temporary job, but as he said, it is day by day. Please continue to hold him up in your prayers in this regard, as with the other pastors and evangelists.

As Maryam said, *Pastor Haroon has a way of sharing about who Jesus is that people want to listen.* They are now discipling a husband and wife who they will ordain at the end of the year. Please pray for them. Interestingly, she is a teacher at a Catholic convent.

Pastor Rafi on a Visit

Currently we have “*Who is Jesus?*” and “*What Happens When We Die?*” printed in Urdu. We would like to be able to translate and print some other material that would be useful for their ministry and discipleship. Please pray about how you could [partner](#) with *Save the Faith* in this growing ministry.

Each time I speak with Maryam and Haroon, I am encouraged and inspired by their passion to share the truth about who Jesus is and the Kingdom hope we can have. They truly have sacrificed their lives and faithfully and unapologetically serve the Father and Messiah Jesus.

They mentor and disciple others who seek truth and also desire to serve. These people typically do evangelism work after their day jobs. The booklets are a key tool!

Please continue to pray for all who serve and for those who are open to hear the great news they have to share. They shared that there are religious and social issues that need to be overcome. *Pray for these obstacles to be overcome.*

## Pray for India

Brother Dav in India requested prayer for the children in his area. He and the brothers are planning on educating them with biblical teaching and moral stories over the children’s summer holidays.

He said that many of the parents they serve are uneducated and the children need to be taught God’s Word. The parents work daily and yet live in poverty. They are unable to share things with their children and to direct them on the right path.

Many children have acquired addictions from an early age and they need help from God to find God’s way for them. They often work from an early age and only give a portion of their money to help the family and spend much of it as they like. **Please pray that they would be able to reach a few children and change their lives.**

## Encouraging Correspondence!

Well done! Very well scripturally supported. It opened my world to finally see that I belong to Christ - not in a hanging on the skirt way with the governing body. Jesus made the way for ANY believer to approach our Heavenly Father. (YouTube)

Excellent breakdown. Great scriptural backing. I left JW unbaptised at 17 and spent 25 years against all religion, until I found my freedom in Christ 5 years ago. AMEN sister. Thanks for sharing. (YouTube)

What a testimony--I was deeply touched that a little, precious child was so carelessly wounded in spirit. Lois' analogy about how you can't learn to climb without a mountain to go over, you can't learn to swim without a lake to cross and you can't be an overcomer without trials to through, was spot on. She is a lovely overcomer and I would love to hug her. (YouTube)

Lovely Lois! What a sweet soul - thanks for bring this [interview](#) to us Tracy! (YouTube)
