## Evangelism in Pakistan

**Pastor Haroon**

Three teams of two (Pastors Haroon and Rafi, Parvez and his wife, and Nasira and Sobia) left on October 10<sup>th</sup> to do evangelism work in various cities in Pakistan. They go door to door, speak to people in public places, and share the booklets with those who are interested to hear and learn more.

In just one week Haroon and Rafi had spoken to about 159 families. Some reject what they say and other are interested and want to hear more.

The man with Haroon in the picture is Muslim. When he heard them evangelizing, he asked them to stop. After talking more with Haroon he said he would like things explained more. Then he said to Haroon, "Do you know that Muhammad's name is mentioned only 4 times, but Messiah 25?!" (*Jesus is the most mentioned person in the Quran by reference; 25 times by the name Isa.*) The man went on to say that Jesus is stronger than all who were sent. Haroon said that he felt such joy! The next day the man offered him lunch, free of charge.

The teams plan to meet at a bus station and return home on the 25<sup>th</sup>.

Haroon wrote on Friday asking for prayers. Due to some political issues, all over Pakistan there are traffic jams. The teams are also stuck. They request prayer for peace so they can move forward evangelizing.

Please also pray for sister Maryam. She has encountered some health issues and is back in Pakistan for a week.

Please pray for Haroon as well since he is unable to see or support his wife and has bad internet connection in many of the villages. He told her that although he wants to be there, he must stay with the teams because many of them even took off work to go on the trip.

Pray that those that have the seed planted will have good soil and receive the human Messiah Jesus and his Kingdom Gospel.

## Welcome to our New Brother Andrei & New Sister Olga!

Praise God for our new brother Andrei from Barnaul, Russia, and our new sister Olga from Kazakhstan!

Maksim traveled 18 hours to Barnaul and 40 minutes by bus to Andrei’s town. He spent a week and a half with brother Andrei and then sister Olga, a former Jehovah’s Witness, came from Kazakhstan for 5 days and stayed with an acquaintance.

They were able to rent a banya (bath house) with a small pool to do the baptisms and spent good quality time studying and praying together.

Andrei’s wife is not a believer but she is not opposed to his faith. Maksim met Andrei in his hospital ministry and Olga on an Ex-JW social media site.

Both Andrei and Olga were very happy to meet Maksim in person. They said that now that they saw him with their eyes and how he spoke, they could tell that he was God’s person and they could feel God’s power working in him.

Please continue praying for our brethren in Russia and Ukraine.
