## Uzbekistan

### Praises for a New Brother!

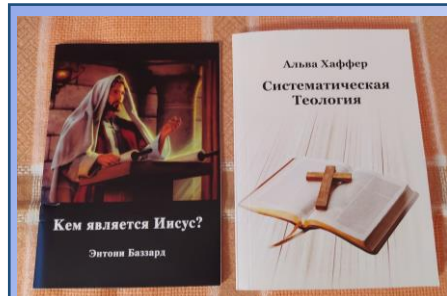

Great news! Another person has repented and submitted their will to that of the Father!

Ruslan had come to Omsk from Uzbekistan to work and got into a terrible car accident breaking many bones all over his body, including his jaw. He ended up in the hospital where Maksim ministers back in 2018 or 2019. (Please pray for him, he still has health issues from this accident.)

He and Maksim stayed in touch over the years and this past year he got serious about his faith.

Maksim is traveling now and hopes to meet with Ruslan and baptized him. We have a sister in Uzbekistan, Ilona, who Maksim met through the children's home he volunteers at, but her husband is Muslim and it would be dangerous for her to try to meet with Ruslan.

Please pray for our newest brother in the faith as he continues to grow and walk the narrow path Jesus set before us. Pray that God would protect Maksim as he travels and meets with other brethren, and with Ruslan for baptism and encouragement. To God be the glory!

### Pray for Haiti

[DONATE](#) to Haiti Relief, choose: **"LHI - HAITI."**

Pastor Lesley wrote LHI letting them know that he and the children in the orphanage were safe.

He said the earthquake was 7.06 like the last one in 2010. It struck the southern part of Haiti the hardest. The two major cities Les Cayes and Jeremie, reported at the time that that 1.497 people were killed, 6975 injured, 14.372 homes destroyed, 30.000 families homeless, and 54.225 homes were damaged.

We have three churches in the South and Pastor Lesley was there five days before

the earthquake to train church leaders. He left two days before the earthquake.

The small town where Lesley was born, St. Jean du Sud (St. John of South), was devastated and our churches located in this area were seriously struck by the earthquake.

Three children of one church family died under a collapsed house and many of our church leader's homes received serious damaged and now will have a very difficult life.

Please stand with them in prayer and consider how you can help our brethren financially.

# Prayers for the Brethren

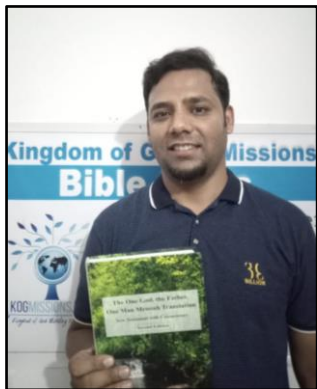

## Afghanistan

Please continue to pray for our brother (ex-Muslim) Shakhrom who lives in Tajikistan. As I mentioned before, he shared his faith with relatives who live in Afghanistan and gave them Bibles. (They were interested because they had heard of the trinity, but never that there were Christians who believed in human Messiah Jesus and the one true God.)

He still has not heard from them and is even more concerned now because he connected with an acquaintance in Afghanistan and asked him to go by where they live to check in on them. When the man came to the apartment, others opened the door and said, "they don't live here anymore." Needless to say, Shakhrom is shaken. He doesn't know if they are on the run, or more likely, murdered.

Please pray for his relative's safety and that if they are alive that they would be protected and able to get in touch with our brother. Also pray for peace and comfort for Shakhrom. Thank you!

## Pastor Fired for His Faith

Please pray for Pastor Haroon and his family. He was fired (again) from a job because he believes in the one true God of the Bible and not the trinity.

He was working for a trinitarian, but now that he is evangelizing even more with the booklet "Who is Jesus," they don't want him. The Muslim business owners don't want Christians in general. This discrimination

makes finding and keeping a job difficult. He is a minority of the minority.

If you would like to help Pastor Haroon and Maryam while he looks for another job you can donate [here](#). ## Pray for Pastors, Evangelists, & Missionaries

➡ Please pray for our brothers and sisters ministering on the front lines. They passionately invest not only their own lives, but the lives of their families in faithful Kingdom Ministry. This comes at a great cost.

➡ Pray that they would be strengthened and refreshed as Jesus was by the words of Scripture.

➡ Pray that they would sense in their spirits those that are faithfully praying for them and know that they are not standing alone. Pray for peace and confidence.

➡ Pray for opportunity to share the Kingdom hope and other truths of Scripture, and that they would have wisdom of who is truly open or searching.

➡ Pray for their protection (depending on the country) from government, Muslims, Trinitarians & other religious groups, and any other person or force that may be trying to hinder or harm them.

➡ Pray for their needs to be met for the ministry and for their family. *(If a brother or sister is poorly clothed and lacks daily food, and one of you says to them, "Go in peace, keep warm and eat well," but you do not give them what the body needs, what good is it (faith)? James 2:15-16)*

➡ Pray for their families, especially for their spouses and children – protection physically, mentally, emotionally, and spiritually.

➡ Pray for them to boldly proclaim the Kingdom Gospel, the one true God, and the human Messiah, Jesus. Pray that the seeds they plant would take root in the good soil and multiply many times over.
