Need for Booklets!

Who is Jesus? & What Happens When We Die? In URDU

The team in Pakistan is preparing for another evangelism trip. They will also be discipling some of the people they met on their last trip.

There is an urgent need to get the two booklets printed in Urdu.

If you would like to partner in this ministry and go to Pakistan without actually boarding a plane, please consider [donating](#) to the trip expenses and the [printing of the booklets](#). **They solicit your prayers as well!**

5th ANNUAL KOG MISSIONS CONFERENCE

God's Kingdom: Hope for the Nations

ONLINE October 27, 28, 29

Join us for the 5th annual KOG Missions Conference. It will be held again online. We will have several speakers Thursday and Friday evenings, and then a full day Saturday with two breaks. *Times and speakers coming soon!*

When we think of missions, we must remember Jesus' mission, Luke 4:43. He was sent on a mission to tell people about God's coming Kingdom that will one day conquer every present kingdom. God will have His King on the throne and His resurrected and immortal people governing alongside His chosen Messiah. ***What greater hope do we have than to take this message to our families, neighbors, and the nations?***

Join us for inspiring presentations you can share with your family, your church, or overseas! We will have speakers from various countries and even a special guest.

The future Kingdom message was Jesus' mission, and it should be ours as well!

More information will be published on KOGMISSIONS.COM soon.

Biblical Unitarian Pastor in Pakistan Dies from Brain Aneurysm

Pastor Nathaniel

Please pray for pastor Nathaniel's family and church. He is sleeping awaiting resurrection after having a brain aneurysm.

Pray for his wife Kiran and his five children, ages 20, 18, 12, 8, and 7.

They were grateful for the financial help for the funeral and for the generous donations to help the family while things get worked out. It sounds like the government job will be paying the family some insurance money and will give a child a job since this happened to him at work. Unfortunately, it may take 3-4 months to receive this money, so your support now is much appreciated!

Please also pray for their church. Pastor Haroon and their team were able to do the funeral and the Catholic relatives did not cause problems as some thought they might. Nathaniel had told his oldest daughter some time ago that if he died, he did not want any trinity talk at his funeral.

The pastoral team will go to that church and preach so it can remain open.

Please pray that their faith in the one true God and Kingdom hope would remain strong. The Catholic relatives who are living with them are merciless, saying the reason he had an aneurysm was because he denied the trinity.

Maryam and others were going daily to visit and help sister Kiran. It is about a 45-minute drive away from where they live. Maryam asked to please hold Kiran up in prayer with all the pressure the relatives put on her.

A big thank you to all who responded generously (with finances and prayer) when this need was made known!

Russia Praises and Prayers

Thank you for your prayers. Maksim was blessed to be able to visit sister Alissa and brother Evgennii. His trip went well and he surprisingly returned home a bit more refreshed than usual. He said to thank everyone for their prayers. He knows that the prayers are what helped with his health. Please continue to pray for his health and that God would energize him physically, mentally, emotionally, and spiritually. Thank you!

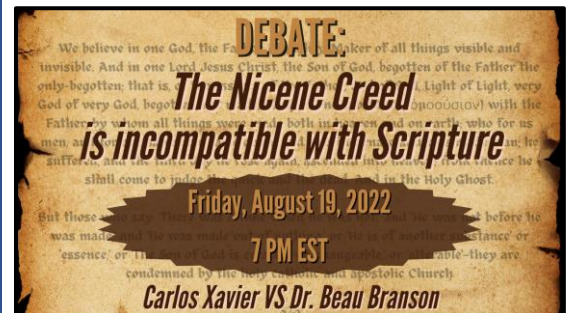

Please continue to pray for our brothers in the Ukraine, **especially for brother Boris** (photo to the left) and his family!

May their faith remain strong and their resurrection hope be as bright before their eyes as Jesus was when Stephen looked up to heaven.

Thank you all so much, dear sisters for this strengthening hour. Mind blowing. (Sister about Bible Study)

That was interesting. I have made notes. Thanks. I have subscribed too. (YouTube) [VIDEO](#)

I want to tell you how much I love your YouTube channel! I am a fairly recent Watchtower escapee so I especially appreciate your JW focused videos. They are really filling in some gaps for me. They will also help me in my discussions with the JWs who are willing to discuss these things with me, which is now beginning to happen. (Email, Boston)

Tremendous lesson - thanks! Your examples and analogies were excellent. (Loved that hen!) What a blessing for ears that can hear! (Email, GA) [VIDEO](#) "What is Reality?" (Youth Lesson)
