## Happy Birthday Pastor Maksim

Wish him Happy Birthday July 18<sup>th</sup> on Facebook if you are on FB.

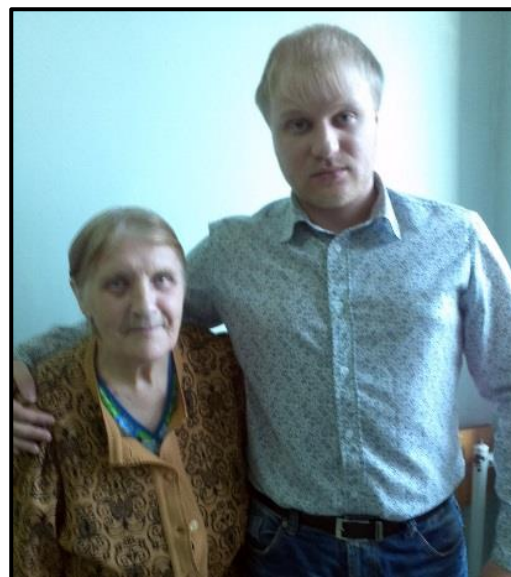

We wish Maksim continued blessings as he serves God and the Russian speaking-brethren. May our loving Father bless him with much joy as he shares the only hope for humanity - *resurrection to immortality and God's coming Kingdom.*

May God bless him with good health, strength, and wisdom each day as he follows the spirit's leading.

Knowing you are thinking of him and praying for him empowers Maksim to withstand all the enemy throws his way, along with the every-day trials that wear him down.

May God bless the seed he sows and grant a rich harvest!

And, praise God! He finally got a refrigerator! He is very grateful!

Sister Vera from Kazakhstan, baptized in 2014

## A Young Minister

After graduating from law school, Maksim gave up a secure job and prestigious life to serve God and proclaim the Kingdom to Russian speaking people.

He baptized our first brother in 2013, a man he met and ministered to while doing volunteer work at the hospital. He has baptized people every year since then after investing many hours of discipleship in each brother or sister, if not years.

His ministry grows each year as he continues to volunteer at the hospital and manages various social media groups where he has met many of our brethren as well.

He has accomplished much for the coming Kingdom and he is only in his early 30's!

## Pray for the Brethren

Please pray for brother Vasily's wife, Nina. She had been caring for her sick elderly mother for some time and now her mother died. Maksim has been ministering to her daily by phone (so pray for him as well, please.)

Please continue to pray for our 3 brothers in the Ukraine. Fighting is still heavy there.

Pray that their faith would remain strong and that the hope of resurrection and future Kingdom life would continue to give them strength and a great hope for a brighter future.

Brother Vasily

## Pakistan Leadership & Evangelists

Top: Pastor Haroon, Sister Maryam  
Bottom: Evangelist Parvez, Pastor Rafi

Friday Pastor Haroon and Evangelist Parvez are going to Faisalabad. A pastor there invited them to come and wanted Haroon to preach a sermon. Please pray for their travels and that there would be open hearts and minds to receive the one true God, the human Messiah, Jesus, and the Kingdom gospel.

## School Workbooks for Children

The free Pakistani school is still in need of workbooks. They need about \$500 so that each child can have the workbooks they need to continue studying. A **Big thank you to all who have already donated.** We have about half of the overall amount raised and the children would be grateful for any [donations](#) to help purchase the remaining workbooks. *Thank you!*

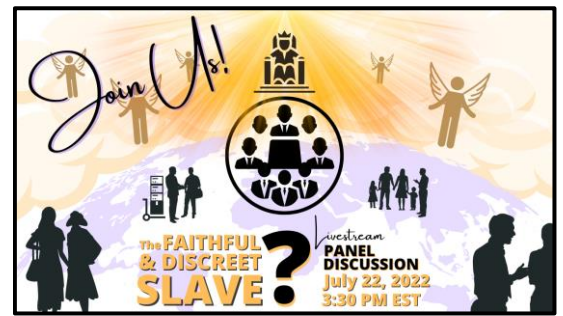

## Russia Praises and Prayers

Praise the Lord for a good trip. Maksim made it home safely and all went well, except for the bed bugs and hot and stuffy train compartment. Praise the Lord he found a different way to travel home and for future trips.

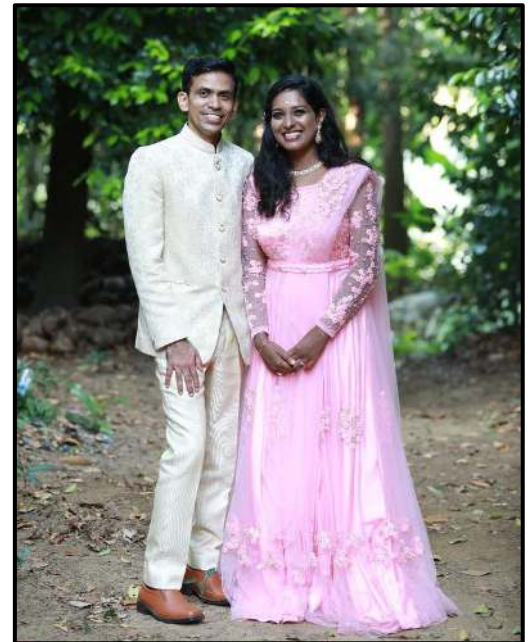

Hopefully Maksim will be traveling before the end of the month again. Please pray all goes through as planned and that he returns safely. He will be visiting some brothers and sisters as well on this trip.

A BIG thank you to all who stepped up to make this trip possible! Your generosity is multiplied over many times in people's lives.

## Encouraging Correspondence!

Thank you. The Truth about the resurrection is simple and sweet. (UK, YouTube) [VIDEO](#)

This is my opinion on the issue. When the woman's egg is fertilized by the man's sperm life begins. The child's development project is all in their DNA, the amazing creation of our Almighty God and no one has the right to stop it. Life is a gift of God (Italy, YouTube) [VIDEO](#)

Thank both of you (Anthony & Tracy) for your wonderful, loving presentation of Kingdom truths! (Email) [VIDEO](#)

Thank you for your advice. Although the English language is not my native tongue, I am able to follow many of the teachings posted in your site. Thanks to your kindness, now I feel better knowing that I can ask you explanations on Bible topics, and I am not alone in the journey toward the discovery of true God and Jesus. (Email)
