## On the Road (Rails) Again...

**Maksim, Ivan & Nina**

Maksim will be leaving next week to meet with Ivan & his daughter Nina. They will be staying with Ivan's relatives, which will give Makism the opportunity to share with them the Kingdom hope.

Makism will spend several days traveling each direction on the train. Please pray for his protection and his health! He has been having more health issues and is not feeling the best.

Maksim is still trying to arrange another meeting with other brethren while he is traveling. May God arrange all fellowship and be with the two or three that are gathering in Jesus' name. May He also divinely arrange any other opportunities to share the exciting and glorious Kingdom Gospel message!

Maksim struggles daily with his health and spiritual attacks. He is very grateful for every prayer lifted on his behalf and says that when he is struggling that he feels your spiritual support and is strengthened just knowing there are brothers and sisters praying for him.

Please pray for Pastor Maurice in Kenya.

He was planning on hosting a new on fire believer in June at his home and involve him at the church with some discussion and talks since he is interested in ministry. Unfortunately, the government just announced revision of Covid protocols. They want people to stay in their homes and public gatherings have been suspended for the next 30 days!

Kindly pray with them. Also pray for his father who has been put on Dialysis.

*Who is Jesus & Systematic Theology*

These two booklets (Who is Jesus & What Happens When We Die?) and Systematic Theology book, are great evangelical tools and make discipleship much easier.

You can check out all that is in the Systematic Theology Book [here](#) (in English). You can even take the course yourself if interested.

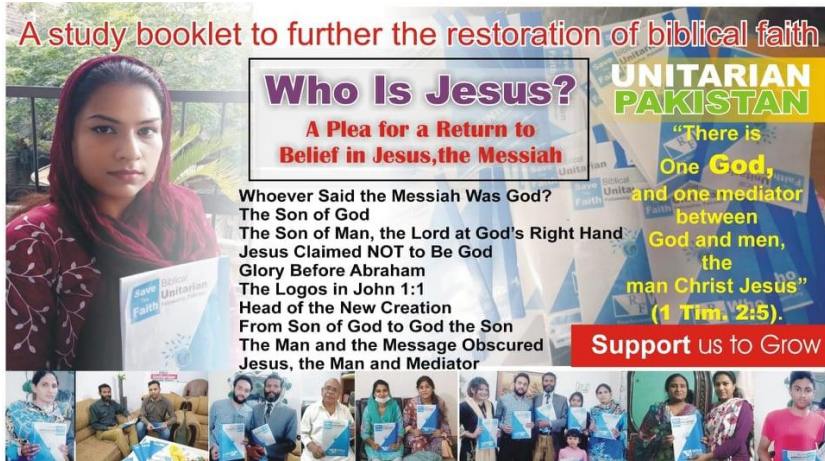

Maksim uses it to study with people and once printed he can give it to them to study on their own and then discuss it. This gives those seeking and those baptized additional study material that can help strengthen their faith.

**\$3000 is needed for the printing of 1000 of each of the following booklets in RUSSIAN:**

- **Who is Jesus?**
- **What Happens When We Die?**
- **Systematic Theology**

# Not Only Handing Out Booklets, but Holding Classes!

Pakistan is finally hearing who the real Jesus is! Many trinitarians are open to studying this all-important question, "Who is Jesus?"

Save the Faith ministry only gives the booklets out to those who are truly interested in exploring what the Bible says about who Jesus really is. They have **already shared over 200 booklets** and have people signed up for classes and they continue discipling those who read the booklets.

**They have been out of booklets for about a month and are in dire need of more.** This is an ongoing need because their ministry is ongoing, day in and day out. Please consider being a monthly sponsor and partnering in this exciting ministry.

They also need to get the "What Happens When We Die?" booklet printed so people can grow in the Kingdom hope as well. People are asking for more and are eager to learn, some have even contributed to printing costs.

**Help feed the starving Pakistani people food that leads to life in the age to come!**

*Please consider partnering with a \$25 monthly donation so the brethren in Pakistan can continue to minister with this powerful resource.*

CHURCH PROFILE  
& Pastor of Discipleship Description

Save  
the  
Faith

Biblical Unitarian Fellowship  
Islamabad, Pakistan

Ephesians 4:5-6

One Lord, One faith, One baptism; One God and Father of all, who is over all and through all and in all.

"Save the faith-Biblical Unitarian Fellowship has been ministering to a community in PAKISTAN for almost 3 years. Our ministry started in it 2018 with the ambition to spread the truth of only one true God and let people know the wrong concepts of trinity.

Pastor Haroon initially started this work alone in this region and soon two more pastors joined him in this mission. And now almost it's a third year of this mission and many people have joined and still joining us and accepting the truth of the Holy Scriptures."

Save the Faith ministry is not only a church, but they live and breathe God's Kingdom work. They have a school, classes for adults to become a certified pastor for outreach and leading a local body, and various ministries to men, women, and children.

The first page of their profile says, "We believe that Jesus is NOT God!" This is an integral part of their ministry and they do not hide what they believe, but share it openly.

Their main evangelism outreach is to trinitarians. Please pray for open hearts and minds, and for protection when people get hostile. Thank you!

*I really appreciate and enjoy your videos. Thank You and may God continue to bless your ministry. (YouTube)*

*Thank you so much, yes this is very helpful. I do appreciate you introducing us, thank you again for everything. (Tennessee)*

*Thank you for this. As a former Jehovah's Witness (JW), I can relate to much of the journey that Dawn is on. It's important for every Christian to continuously test the truths that we hold to, to ensure their accuracy. What I have discovered is that there are others out there beyond JW's and Christadelphian's that hold to a Unitarian viewpoint of God, and his son, Jesus. We are not alone in our search. Others are out there on the same incredible journey too. (YouTube)*

## Please Pray for Pastor Edwin and All Our Brethren in Peru

Please pray for Pastor Edwin's health. He never had the anticipated surgery last year, and now he has some other major health concerns. The doctors don't have complete answers, but it could be quite serious.

Also pray for Edwin and Aleida as they move forward. Besides dealing with Edwin's health concerns, they are planning to move to Ecuador and will work with a small fellowship he has there. Although currently, there are some travel bans and they are waiting.

There is a lot of political unrest in Peru and a possible revolution coming so please pray for all of our brethren, that they would be kept safe and still be able to minister to the churches and share the Kingdom gospel.
