Young Men's Bible Study Hosted in Pakistan

For the first time in their journey of the truth and evangelism, Unitarian Christian Fellowship Pakistan (Save the Faith), has been recognized and was shone appreciation publicly for their work. (God is so good and orchestrates His work!)

Their recent event that they conducted with young men was printed in the newspaper. They believe that this makes their message and teaching of the one true God and human Messiah more credible in the eyes of people there & opens doors!

This newspaper will be printed and distributed all over Pakistan and will be a source for those who somewhere in their hearts have the same faith as them and don't know that there are people who are running a Unitarian ministry in Pakistan. (Please pray those people would see the article and connect with their like-minded brethren.)

They give thanks to the most-high and to all the wonderful people who are part of this mission and partner in so many ways!

Faith Like the Paralytic and the Roof in Mark 2:1-12

On the day of meeting, the team met at an area that had unlevel ground. The man in the picture to the left with crutches wanted to come, but many stopped him and told him that it was too difficult for him to go up to the meeting. He said he wanted to learn more about the one true God and the Kingdom of God, and he asked for help to get him there. He was persistent and didn't stop asking for help. Finally, some people picked him in their arms and brought him up! The team was very happy to see his dedication, devotion and enthusiasm about Bible study. It was indescribable!

They thank God for such people who are always ready cross the barriers and reach for the truth. Keep praying for him and all the teachers and preachers.

Women's Bible Conference in Pakistan

School Ministry

Unitarian Christian Fellowship Pakistan (Save the Faith) organized a three-day women's conference. They were very grateful to the most-high God that it went so well and that these women accept the concept of the only true God as one being, and His messiah Jesus as being His human son miraculously conceived.

More women came than expected and all were very motivated to learn and apply what they learned in their lives. **Please pray for them as they are back in their families and continue to grow in the faith.**

(This conference came about from ladies reaching out to Maryam after their last evangelism trip and from some of their videos that they put out.)

Printing booklets (*Who is Jesus? And What Happens When We Die?*) **and evangelism expenses are an ongoing need.** If you would like to donate and partner in this ministry, you can do so [here](#).

When donations come in, they will go on another evangelism trip. Please pray and consider [partnering](#) in this active Kingdom ministry.

This school ministry gives these children hope for a better future in more than one way. Education is the best way to reduce crime, and especially gives the girls more opportunity for a better life.

Some of the students are Afghan refugees. Maryam convinced their parents to let the girls get an education. The youngest (4 years old) loves learning so much, she comes an hour early each day and is even from a Muslim home.

They experience the love of Christ and learn about the one true God.

They are in need of more workbooks and would be grateful for any [donations](#) to help purchase them. There are 40 children. Thank you!

Russia

Maksim is traveling this next week. Please pray all goes through as planned and that he returns safely.

You can [DONATE HERE](#) to partner in Kingdom ministry in Russia and Russian-speaking countries. The need is urgent at this time. Prayers appreciated!

New Web Page! "Basic Bible Lessons"

We are excited to share our **new project** and **new web** page with you! This project has been long in the planning and I praise God it is coming to fruition! We hope to provide SIMPLE Bible lessons for all. **You don't need to be a theologian to understand basic Bible truths.**

There are **22 lessons** uploaded at this time, great for personal study or for a small Bible study discussion group. We plan to add additional material with each lesson, and more lessons as well.

A big thanks to Anthony Buzzard with Restoration Fellowship for making this all possible! His years of teaching and preaching the Kingdom hope and other Bible truths are much appreciated - no compromise and no retiring (as if one could retire from a calling!)

Topics include: Kingdom Hope, What Happens When We Die, Hell, 2 Resurrections, Difficult Texts on Life After Death, Who Jesus is Not, Human Jesus, Jesus Messiah, Glorified Man, Agency, King Jesus, Preexistence, Difficult Texts About God & Jesus, Holy Spirit, Spiritual Body, and Born Again.

Encouraging Correspondence!

I appreciate all the hard work Tracy and Anthony put into this. I'm super excited about the couple in the old people's home in England (where I live) who have now discovered the good news of the Kingdom. We have to go through a lot of difficulties to maintain our faith if we are living with others who don't share our faith. We just need to pray to God to help us remain strong. *(YouTube)*

These will be blessings to me and so many more. Always grateful to the Creator for you all. *(YouTube)*

I'm so EXCITED and LOOKING FORWARD to more great messages, what a blessing!! Bring it on Tracy & Sir Anthony!! God Bless!! *(YouTube)*

These are going to bless so many with the simple straight forward explanations. *(YouTube)*

Can't wait to tune into this enthusiastic teacher! *(YouTube)*
