The Kingdoms of the World...

We as westerners often think only in terms of only our own reality, without understanding that there are many places in the world that need God’s physical Kingdom to come more than we do. Our comfortable lifestyle and material blessings can even enable people to think that God’s Kingdom is here now, or just as bad, feed the lack of yearning for its coming.

If you were living in North Korea under Kim Jung Un, you would never think God’s Kingdom was here now! If you lived in poverty in Haiti or Malawi, you would not think you were living the Kingdom life, and what good would some “Kingdom in your heart” message be?

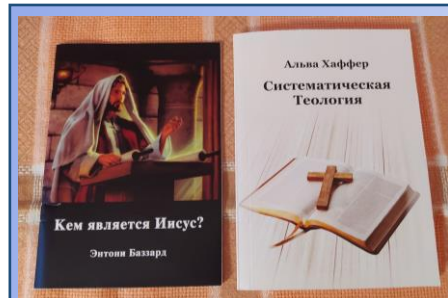

Lately, I have been watching documentaries on North Korea. **Steve An**, who many of you know, has shared his desire to be ready to take the Kingdom message into North Korea as soon as it opens up. (You can watch his presentations [here \(1\)](#) and [here \(2\)](#).) In one of the [documentaries](#) I watched, a man who defected to South Korea said that they didn’t need a foreign military to come save them because if there was an attack from the outside, the North Koreans would just band together and defend their leader and country. He said the best thing is to “*give them information and let them choose their future.*”

This thought has been in my mind for years. **We need biblical material translated into Korean, for our own people and for the day that North Korea does open their borders.** We can’t wait and start then, or it will be too late. When Russia opened its borders good and bad flooded in, and unfortunately, typically the first thing someone hears has the best shot at being received and believed. **We must be prepared to share the following hope when the chance arises and let them choose their future!**

One day God will Deliver these oppressed people from the power of the wicked. God, will execute judgment on the earth! God owns all the nations. (Psalm 82:3-4, 8)

The God of heaven will raise up an everlasting kingdom that will not be destroyed. It will break in pieces and bring about the demise of all these kingdoms. But it will stand forever. (Daniel 2:44)

Then all on Earth will be singing to the one seated on the throne and to the Lamb (not to Kim Jung Un), praise, honor, glory, and ruling power forever and ever!” (Revelation 5:13)

Who is Jesus & Systematic Theology

These two booklets (Who is Jesus & What Happens When We Die?) and Systematic Theology book, are great evangelical tools and make discipleship much easier.

You can check out all that is in the Systematic Theology Book [here](#) (in English). You can even take the course yourself if interested.

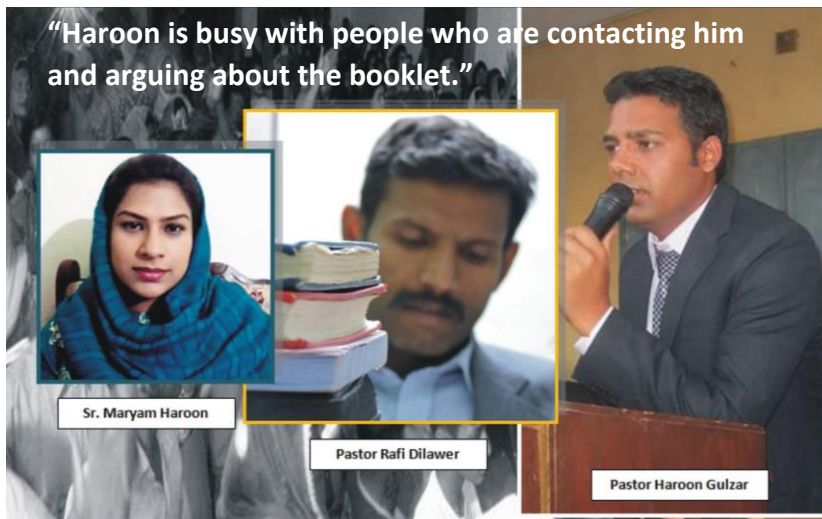

Maksim uses it to study with people and once printed he can give it to them to study on their own and then discuss it. This gives those seeking and those baptized additional study material that can help strengthen their faith.

\$3000 is needed for the printing of **1000** of each of the following booklets in RUSSIAN:

- **Who is Jesus?**
- **What Happens When We Die?**
- **Systematic Theology**

“Who is Jesus” Booklet Continues to Impact Urdu Speakers

This past month the “Who is Jesus” booklet in Urdu reached a man in California (Badar) who has had a very long journey to find the truth and he was thrilled when he read it. He then asked the brethren in Pakistan to mail one of the booklets to his relatives in Pakistan and now another home fellowship is studying the truth about who Jesus really is.

I spoke with Badar in California and was impressed with his journey and his conclusion. He said, “I have already received and believed this truth for six months and I figured that I now had a responsibility to share it with others so I began telling my family.”

SIX MONTHS! If all believers took their faith as seriously as Badar, can you imagine how fast the Good News would spread?!

Pastor Maksim in Russia had shared the same thing. He was convicted that it wasn't just about him believing, once he believed he then realized that he must pass it on to others.

The brethren in Pakistan are all out of booklets and need to print the next batch so they can continue to minister with this powerful resource. Please consider partnering with a monthly donation.
