New Brother & Sister

Two Years of Discipleship and God's Spirit Moving

Pastor Maksim, Sister Katya & Brother Roman

Maksim was thrilled to get the phone call and hear the words, “We have repented and want to be baptized!” The couple resides in Kazakhstan, but were in Russia when they called, so Maksim packed up and hopped on a train the next day.

Maksim has been discipling Roman and Katya for about two years. They met on an Ex-Watchtower (JW) social media site. Katya had previously been in the Organization, but came to see that they were not so inspired as they claimed to be when elders refused to deal with family abuse.

Roman had attended a Pentecostal church for a while, but found the “charismatic show” unbiblical. After studying with Maksim the couple saw he was speaking biblical truth and they accepted the simple Bible teaching we know and love.

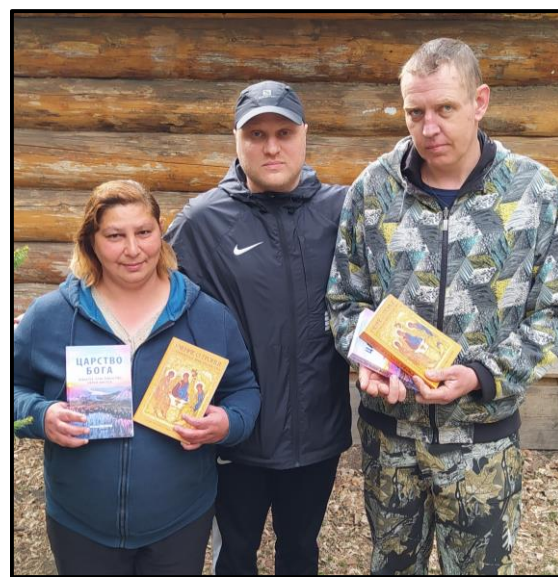

While studying with them Maksim also addressed the issue of righteousness and godly living. Although not totally ready to commit their lives to following Jesus, after a year and a half, Roman and Katya decided to be obedient to God’s teachings and get married rather than just living together. They saw the need to start making life changes if they wanted to follow Christ.

Roman was being treated for cirrhosis in Novosibirsk and they were both convicted that now was the time. They said they were tired of not having any hope and just living a meaningless life.

Roman is showing the “V” sign for victory and is thrilled they overcame and will ultimately have victory over the grave. They are overjoyed that they have overcome the world and now have true hope!

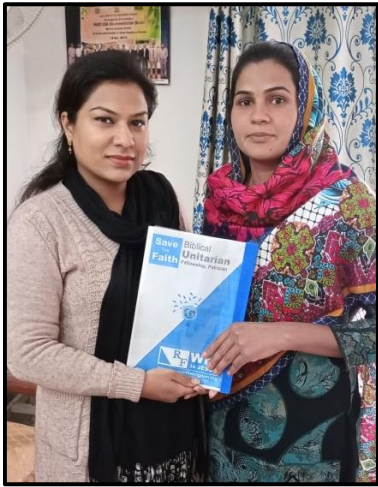

They rented a banya for a few hours and Maksim baptized them. They also got in touch with sister Natalia who lives in Novosibirsk and she met them in the park for a day.

Please pray for brother Roman and sister Katya as they continue to grow in Christ and his hope. Please also continue to pray for Maksim’s health and ministry, and that we could get him a refrigerator (he has been without since November and has had bad food poisoning twice this spring!)

Women's Bible Workshops in Pakistan

*Sister Maryam Sharing
Who Jesus Is*

From sister Maryam:

“Thanks to God that He is using us for this wonderful work! I have good news and I am very glad and excited to tell you!

There are 10-12 women who have contacted me after reading the booklet 'Who is Jesus' (from their evangelism travels and videos) and they want to come to learn more about truths of Bible. I am very happy to see the fruit of our labor!

By God's will I am going to arrange a workshop in which I will answer their questions and share more knowledge of bible. (It looks like it will be for 2-3 days since they are traveling from 3-5 hours away.)

Many of the questions they will ask will also be related to life, like can a woman have an intimate relationship with God.”

Please pray for sister Maryam and others as these workshops are planned and take place. Pray for the women attending that they would come face to face with the Living God who loves them, and that they would know His presence in their lives and feel free to call Him Abba, Father and grasp the hope Jesus promised those who would faithfully follow him.

Printing booklets (Who is Jesus? And What Happens When We Die?) and evangelism expenses are an ongoing need. If you would like to donate you can do so [here](#).

A BIG thanks to all who helped out right away when the fan in the schoolroom broke so they could continue classes. 102+F (39C) was too hot with no fan!

Ministry Around the Globe

I am so inspired and encouraged when I hear what brothers and sisters are doing around the world once they embrace God's simple truths! Many translate material to share with friends and relatives, others start [blogging](#) (Sweden), and make [websites](#) (Czech).

A sister from one of my Bible studies, and her husband, are praying and planning to minister to people in the Solomon Islands (live on a boat, drill wells, and share God's love and His truth with the natives.) Please pray for them and for doors to open.

Many isolated people are great prayer warriors and encourage others they meet with online. A dear sister Fiona, died this past month. She lived in South Africa. One sister knew her for many years and they were close friends, although they never met in person. I also never met her, but the few times we corresponded I was very blessed by her. I look forward to the trumpet call and meeting her in person at that time!

Please pray for brother Parvez who is in Lahore evangelizing. He was delayed due to political unrest and blocked roads. Now he is safe and preaching.

Encouraging Correspondence!

Amen Tracy! This is a welcomed gem and exactly what modern day Brothers and Sisters need to hear. Not only us but the ones that are not enlightened and have not embraced the Gospel of the Kingdom nor embracing Jesus our Messiah and Salvation. Thank you and others for taking the reins and calling out blasphemy and hypocrisy as well as pointing out unrighteousness in this wicked age. Stay strong Saints and use great discernment! *(YouTube)*

Powerful message Tracy. Also wanted to thank you for the forgiveness lesson last weekend. *(YouTube)*

Very inspirational. Thanks Tracy. Such reminders are priceless. I hope and pray that truth seekers will take that on board. REMAIN BLESSED! *(YouTube)*

I have been attending these Bible studies for six months now and so glad I have. All I have learnt, are solid biblical truths which are like true riches to me. The ladies I have met have become true Sisters in Christ who love and support each other. Thank you, Tracy! *(YouTube)*
