MISSIONS Reset

The Scattered Church

Biblical Unitarian School in Pakistan

Save the Faith Biblical Unitarian Fellowship runs a school out of one of the rooms in their house. Sister Maryam teaches children who would not get an education and otherwise be on the street.

It all started when Maryam would go to various homes to preach and teach people about the one God and Messiah Jesus and she would see that the poor people's children wore ratty clothes and were barefoot. She would ask the parents why they don't send them to school. The answer always was, "We can hardly provide them food and seasonal clothes; we cannot afford the fees and books".

Maryam had experience running and teaching a school, until it was forced to close because most of the parents removed their students when they learned that they did not believe in the trinity.

The school out of her home started with 4 or 5 students but as word got out, more and more people asked about her teaching their children as well. Now she has 40 students, 10 of which are Afghan refugees, ranging in ages from 4 to 12. She has them in two groups because they all won't fit in the one room. They come three days a week, alternating, for four hours (Monday through Saturday).

November-December Prayers

- Please pray for our brothers and sisters scattered around the world
- Pray for brother Voxid and sister Nadezhda in Tajikistan.
- Pray for Pastor Haroon in Pakistan to be hired for a job.
- Pray for the tent making opportunities to prosper in Kenya.
- **Continue to pray for Pastor Maksim's health. HE HAS COVID AGAIN & IN HOSPITAL**
- Pray for the Lord of the harvest to send forth laborers and to equip them with the sword of truth.
- Pray for all who have health needs and for God's protection of His saints
- Pray for opportunities to share your Kingdom hope

The children study Math, Science, Social Studies, English, Urdu, etc., as well as Bible education, especially about the one God and His human Messiah.

Maryam hopes to educate and empower these children so that they will have opportunities as adults to provide for themselves and their families. And as a Bible Teacher, she provides them biblical knowledge, believing true understanding of the Bible is important for them at a young age, and is bread for eternal life and that she can help prepare them for the Kingdom of GOD.
