4th Annual KOG Missions Conference - online October 28-30

Our theme for the conference this year is *Missions Reset: The Scattered Church*.

The idea of missions, and the idea of "church", must be reset for today. We don't need a lot of people GOING on mission trips. We need them doing missions and being good stewards with what they have from where they are.

Missions have changed drastically since Hudson Taylor and Amy Carmichael. The church must *reset* their thinking as to how they approach missions in 2021 and beyond. **As a biblical unitarian or biblical monotharian church, we cannot try to copy how the rest of professing Christianity evangelizes and does missions, or even how they grow churches. We have a unique message, and a different Gospel.**

Our goal should never be about numbers and "growth," but about shining the light on God's truths so those seeking may find them. We must also focus on strengthening the scattered like-minded brethren who remain faithful to Jesus' Gospel and teachings.

During this conference you will hear from people who came from many different faith backgrounds and how they found God's truths and what they are doing with them today. Their backgrounds and journeys are all different, but you will see that **the common thread that runs through them all is that they pleaded with God to reveal Himself to them.** They needed to know the truth, His truth.

Another common thread that you will see, and that we see daily when we are acquainted with people from all around the world who have come to know the one true God, the Father, and His Messiah, Jesus, and the Kingdom hope, is that they were convicted to not only live out their faith, but to share it with others. You will also see the variety of ways that these people carry out their mission to share the Gospel.

You will also hear practical ways to live and share your faith, and how to plan or participate in mission trips.

I hope you will be encouraged if you are seeking ways to serve, and encouraged if you are one of the scattered brethren who make up the scattered church today.

Two Books in Russian Have Run Out

- **Our Fathers Who Aren't in Heaven**
- **Doctrine of the Trinity: Christianity's Self-Inflicted Wound**

A big thank you to all who have contributed to the printing of the 3 booklets we mentioned in previous newsletters. Lord willing, we will be able get them printed by the end of the year! Please pray for all who will receive them. Maksim is ever grateful for meeting this need!

We also need to reprint 1000 of each of these (above) books. Maksim gives them to those seeking, and he sends them to prisons with Bibles. He has to send substantial books with over 300 pages, and these are the only two. We have several brothers who have come from this ministry. May God draw many more who seek Him in their time of need. “What Happens When We Die?”

Praise the Lord! We were able to get the booklet, “What Happens When We Die?” finally printed in Urdu!

It can now be used side by side with the “Who is Jesus?” booklet for evangelism and Bible training in Pakistan.

Please pray for the safety of our brethren as they share who Jesus really is, and what happens when we die.

Encouraging Correspondence!

Dear Tracy thank you for being. We've watched your lectures a few times, and when you baptized Lori in Florida. We are very encouraged. You are far off, but it is as if you were in our room. It's nice that we can meet like this online. We think of you and we are really happy to have you. (Email from overseas)

AMEN! Thank you for your encouragement sister! (YouTube)

My husband really enjoys watching and learning from the ministry. I can see how much your videos and Focus on the Kingdom's videos are helping him grow. (Email)

I was born a "Catholic". In early adulthood, I was reading Worldwide Church of God publications. Then I became one of Jehovah's Witnesses. And now, I am trying to prove to myself once again what really is the truth! (Email)
