## Meet our New Brother Mikhail

Maksim's days are spent at the hospital and evenings talking on the phone or on Skype. He has been extremely busy talking to many people and discipling them. He has 4 people that are seriously studying and have been very inspired by Mikhail's testimony. One of them is a former JW.

Pray for God's work through Maksim at the hospital and online as he meets people. Also pray for our brothers and sisters throughout Russia and in the Ukraine. May their faith remain strong and may their hope of resurrection and life in the Kingdom comfort them and give them great strength.

Maksim asks for prayers for strength and wisdom. He says that God is giving a harvest and that we need to faithfully harvest the fields! He is blessed to see the fruit of his many years of labor in the fields and keeps on serving faithfully. Please also pray for his health and that he would stay well and warm this winter.

**Maksim met Mikhail about five years ago in in the hospital.** He was living in Omsk and then moved to Petrozavodsk to live with his mother. (Petrozavodsk is about 500 km north east of St. Petersburg.)

Maksim flew into St. Petersburg (4-hour fight) and then took an electric train about 5 hours. The two brothers had a wonderful time of fellowship and two of Mikhail's friends came by to meet Maksim and he was able to share with them. Please pray for Peter and Ivan and that their hearts and minds would be good soil.

Also, please pray for Mikhail's mother, Valerie, who is very interested and basically sees the truth. But, the 80+ year old woman is called and warned about such beliefs from her former protestant church. Please pray she would understand that there is no immortal soul. That is what she is struggling with at the moment.

Mikhail is hoping that he will be baptizing his mother soon. Please pray for them both!

# Changes in Pakistan Ministry – Please Pray!

Due to rising costs and that the necessary monthly ministry expenses are not met regularly Maryam will be taking a job in the UK on a three-year contract. She hopes to be able to support the ministry from there. Haroon and the children will join her there when she saves the money to fly them over too, in 6-9 months hopefully. **The ministry will continue, as will the school!**

Pastor Rafi and Evangelist Parvez will lead the work. There will be a couple ordained in December who have been discipled by Haroon and gone through the necessary training. Pastor Rafi's son Elijah is in the University and hopes to follow in his father's footsteps in ministry in the future. He, like Haroon, has a great vision to have a seminary to train people.

Haroon works with many young men and they understand the one God well. Unfortunately, so well, that the Muslims are trying to get them to convert. Please pray they will be strong and that Haroon will be able to equip them with Scripture and reasoning as to why they would not do that. They say that the Muslims are very convincing.

Please keep the family in prayer as the four children will be without their mother for some time and then the big move for them as well.

**Thank you to all who donated to get the booklets printed!** They have been out for some time and had no material to share when they visited trinitarian churches that they were invited to speak at. **Praise the Lord for your generosity!** We also have a about half the need for the travel expenses for the next evangelism trip.
