## “Contending Earnestly for the Faith” Jude 3

October 5-7 contenders for the faith gathered at Higher Ground Church in White House, Tennessee, to be encouraged, inspired, and challenged.

Speakers included: Dan & Sharon Gill, Anthony & Barbara Buzzard, Carlos Jimenez, Alane Rozelle, Joe & Rebekah Martin, Dick Eldred, Carey Clark, Steve An, Bill Schlegel, and Tracy Zhykhovich.

We had a wide variety of missions and evangelism topics and heard from those in the fields and on the front lines around the world.

God’s truths were emphasized and boldly preached, and we were reminded of the need to remain faithful to the teachings of Jesus in our outreach.

### No Compromise!

Jesus spoke clear and simple, teachings, and so ought we! The truth sets people free and the truth saves. Nothing else will! We have been given the responsibility to sow kingdom seeds wherever we can. And over the course of the weekend we heard from all the speakers about how they were sowing kingdom seeds and harvesting the fields.

“Speakers were excellent! Hope you do this again next year!”

“Great event!”

“Very informative!”

“Thank you for all you did to make this conference so great!”

Conference replay will be available soon!

## LOOKING FORWARD TO 2019

We are already starting to plan next year's conference and have appreciated all of the feedback from those who attended this year. We are excited for all that God is doing and anticipate more growth throughout the year as people implement what they learned at this year's conference.

I hope to get some hands-on information and how-to videos out over this next year that will help people get started on internet evangelism. We are still getting together more information on the Fair ministry and will publicize that when it is done.

### El Paso/Mexico Mission Trip June 2019

We are excited to have the opportunity to work with Ken LaPrade and his fellowship in El Paso, Texas, and Ciudad Juarez, Mexico!

Ken and Carmen LaPrade live in El Paso, Texas, and minister to a small group of ex-Way biblical unitarian believers. Additionally, they teach another small group across the Mexican border in Ciudad Juarez and a family further south in Chihuahua City. Ken has attended a few of the Theological Conferences in Atlanta. He states that they sometimes feel very isolated and would welcome a visit from like-minded

believers. Therefore, the present vision is to take a small group (8-10) of enthusiastic, creative, doctrinally-strong persons (of all ages!) to that far southwest corner of Texas next summer, mid-June 2019, for a 10-14 day outreach of encouragement to the LaPrades and the brethren there. We will

hold a VBS for children and foundational Bible discussions with teens and adults. Participants should be prepared to learn and speak as much Spanish as they can (even if it's just basic phrases); give a testimony, encouraging devotional, or full lesson (interpreters will be available); perform songs and skits in a public forum; and have a very enjoyable time sharing the hope of the coming Kingdom of God with others. Further info will be made available as details are hammered out. **Please share this opportunity and pray about joining us.**

We will be taking applications for this trip, which will be found online in the near future, but please get in touch with us at: [info@KOGmissions.com](mailto:info@KOGmissions.com) or email Alane Rozelle <[senoradia@yahoo.com](mailto:senoradia@yahoo.com)> with interest and questions. The team will be chosen by March ??, 2019.

## INTERNET EVANGELISM

### Notes from the Gill's session:

- If you are not on the internet, then you don't exist
- Today's public marketplace is the internet: Facebook, Twitter, various groups, etc.
- A little seed produces a lot of fruit
- The world is overgrown with weeds, but there are a few good seeds in good soil. We must be a lighthouse for them.
- The Parable of the Tares & the Wheat follows the Parable of the Sower...
- WWPD? (What would Paul & Peter do?)

**EVERYTHING they could!** They spoke, went by ship, sent letters, and they would have used the internet!

## Please Pray For:

- **North Korea** and that **Steve An** and his team would be the first in when it opens up
- That some of the remnant of **Israel** would be found

## Notes from a Few Sessions

### Joe Martin:

- We are on a mission from God!
- There is no reason to complicate things! Speak God's words, they have power!
- We must live and die by the words of the Almighty God and of Jesus, not some creed!

### Anthony Buzzard:

#### ASK QUESTIONS

- Please define the gospel
- Where are you going to be in the future?

### Barbara Buzzard:

- Lying is essential for supporting abortion
- Abortion is not a war on choice
- Abortion is for the sake of convenience, not necessity
- ~3000 people died in 1990 from terrorists, 3500 children were murdered YESTERDAY from abortion doctors
- Abortion clinics are death mills and their ovens like those in concentration camps
- Abortion is not just wrong, it is evil
- Jesus and John were named before they were born
- You cannot be a Christian and be "pro-choice"
