Fair Evangelism & Bible Guides

The question on the chalk board also helped create conversation with some people. In fact, the lady in the booth across from us inquired about it and our timeline banner because she was trying to study the book of Revelation and thought we might have some answers. She came to our women’s Bible study last week and wants to be a regular. It’s such a blessing meeting people who want to know what the Bible has to say and are not afraid to discuss differences.

We had a fantastic week at the fair! The new Bible Guides were a great addition! You can find them at: kogmissions.com/bible-guides and print them to hand out or use as a topical Bible study, or better yet, use them at a fair next year!

We talked to quite a few different people with different religious backgrounds. Some conversations were more interesting than others. One lady came from the Baptist booth and said, "He just told me I was going to hell!" (I remember hearing that myself last year from the man at the Gideon booth!) We had a good dialog and I was able to explain a little more about "hell."

Our focus was on death and resurrection so the first Bible Guides available are:

- What Happens When We Die?
- Resurrection
- Judgment
- Salvation
- Eternal Life

We were encouraged to hear that a brother in Slovakia also had a table at a local fair. If we are to be fishers of men, we must try many different ponds and different bait. We are expected to be faithful planting the seeds that the Gardener has given us!

We also did “Truths”, which Louise Lapp had done years ago. It’s amazing the kingdom work people do and how it can live on past their own lives and continue planting seeds and reaping a harvest!

We are still working on many more Bible topics and hope to have more by next year’s fair.

Thank You Terri Moore

I would like to thank Terri Moore for her years of service on the MN Missionary Society Board as Secretary and Treasurer. It was a pleasure to work with her and she made my job much easier. Her dedication to kingdom work and her commitment to excellence is appreciated and highly esteemed.

Terri's continued investment in kingdom work is storing up for her a rich reward. As it says, "Each man's work will become evident; for the day will show it because it is to be revealed with fire, and the fire itself will test the quality of each man's work. If any man's work which he has built on it remains, he will receive a reward. 1 Corinthians 3:13-14"

I look forward to seeing her writing and teaching ministry flourish and I am blessed to continue serving alongside her in other ways in kingdom ministry and missions.

Tracy Zhykhovich

Minnesota Missionary Society thanks Carolyn Smead for stepping up to take on the position of treasurer. We are blessed to have her on the team! We are also looking for a new secretary so if you live in MN and want to be a part of an active Missions Board, please reach out to us!

Matthew 10:37-39
