

# Kingdom Newsletter

By Tracy Zhykhovich, MN Missionary Society President & KOG Missionary

## Fellowship

Pastor Maksim has spent the past few months with two dear sisters whom he hadn't seen for several years.

Sophia and Valentina met with Maksim at a relative's house to be fed and encouraged in the faith. While meeting, Sophia's diabetes got bad and Maksim stayed longer to help her recover so she could get back home. Unfortunately, she died, but in faith.

Please keep her good friend and sister, Valentina in your prayers, as well as Sophia's family, and Maksim. It has been a very exhausting few months.

He was also able to meet with brother Igor, whom he baptized last year.

**Your prayers are appreciated!**

## Online Kingdom Ministries...

KOG Missions is honored to partner with Restoration Fellowship in global online ministry and in helping meet the growing needs of our scattered brethren.

There are people reaching out weekly and even daily who are searching for truth and desire fellowship. This growing ministry is essential as the lost sheep find their Shepherd.

## Faith in Action

**Majo** left his home in India and took a job in Oman, but he continues to plant kingdom seeds online and with those he meets. **Please pray for Majo**, his ministry and the people he will come in contact with at work and whomever he will meet. Majo has a [YouTube](#) channel where he posts kingdom videos that he has made. **We were blessed to hear from Majo and talk to him at the Missions Conference in Tennessee.** He has a heart for the lost and a desire for all to know the kingdom hope that he loves.

Brother Majo

# 2<sup>nd</sup> Annual KOG Missions Conference

9

We had another fantastic missions conference in October. A BIG thanks goes out to Higher Ground Church in White House, Tennessee, for hosting the conference and for a generous potluck on Sunday! Also, we thank Sharon Gill of 21<sup>st</sup> Century Reformation for her arduous video work!

As one person shared, even though we had a small group, all of the speakers spoke as though they were speaking to hundreds. You can listen to all of the replays on our [YouTube channel](#). Please consider following us and help us grow our online presence!

We were also blessed to have three brothers from overseas present to us as well, two of whom were LIVE. (Unfortunately, they don't want these recordings posted; you had to be there in person to have been greatly inspired by them.)

We had missions reports from Africa, Nicaragua, Philippines, Korea, Mexico, Russia and Europe. If you would like me to visit your church or conference in 2020 and share about my European Ministry Trip, please contact me at: [tracy@kogmissions.com](mailto:tracy@kogmissions.com).

Thank you to all who participated, attended, and generously gave to Bibles for Russia!

# We Hit Our Goal! Слава Богу!

(Praise God!)

**THANK YOU** to everyone who contributed in raising money for **Bibles for Russia!** We not only hit our minimum goal for 2020, *but we exceeded it!* May the gospel of the kingdom reach many people over the coming year and may your generosity be the seed to kingdom life for all who will seek! **Great teamwork!**

We will continue to accept money for Bibles throughout the year.

## Pastor Maurice Kenya

### *Shepherd & Entrepreneur for the Kingdom*

Pastor Maurice Chahilu of Kingdom Life Ministries gave up a banking career to become a full-time minister for the kingdom. He loves truth and works hard to save the lost and care for those that he shepherds.

Maurice knew that the needs in Kenya were so colossal that he must come up with a big plan to help raise finances for ministry, missions, and the brethren's unexpected needs, as well as caring for his own family. He is very grateful for the support that Lord's Harvest International faithfully provides, but there are so many constant ministry and life needs, he was inspired to start a bank that would loan money at a low interest rate to the brethren when there is an urgent need. It is set up so that the ministry can borrow money as well with a minimal rate of interest. The interest generated is distributed to the ministry and to individuals who invested in the bank. A percentage of profit goes to the church directly because the church is a major stake holder.

Maurice and his partners hope to build enough capital so that they can not only loan money out, but also invest in other channels of income opportunities, like building rental houses and establishing ag businesses for local brethren (poultry and dairy).

The board of trustees oversees the implementation of this and many other ideas.

Please pray for this endeavor and consider how you might be able to donate on behalf of the church so that their share-holding percentage will grow enabling the ministry to thrive and our brethren to be more self-sufficient.
