## COVID-19 *Prayers:*

### *Kenya Update:*

Greetings from Kenya, I hope and pray that you all are safe. May God keep you all.

We are all safe at the moment, haven't heard any negative report about any of our churches or brethren in trouble as a result of covid-19.

The government has enforced a curfew, but still there is minimal movement during the day. I know if the situation lingers for long maybe that's when the impact shall be felt since many shops have closed down. Goods, services and supplies may be hard to get.

We send our prayers to our brethren in America for God's intervention and protection.

Blessings.  
Maurice

- Pray for our brethren all around the world.
- Pray for Maurice and Pamela as they shepherd their flock and as they evangelize in Kenya.
- Pray for all of the leaders around the world as they shepherd the people entrusted to them by God.
- Pray for PEACE for believers
- Pray for OPPORTUNITY to share!

## COVID-19 *Evangelism*

**Let us make the most of every opportunity!**

As believers, especially if we are leaders, preachers, or teachers, we must have the same peace Jesus had when he was asleep in the boat with the storm raging all around!

If coronavirus paralyzes you with fear or causes you to worry, consider how you will fair when we really are at the end of this age as Jesus taught (Matthew 24, Mark 13 and Luke 21). If you have given birth, you know that the birth pangs leading up to the delivery are also a bit painful, but they don't compare to the actual labor at the end.

Life prior to the last 7 years of this present age (as Jesus referred to in Daniel) have real pain. Wars, natural disasters, famines, and plagues are all a part of this life. They will go from bad to worse. But we can overcome!

### *Jesus commands us:*

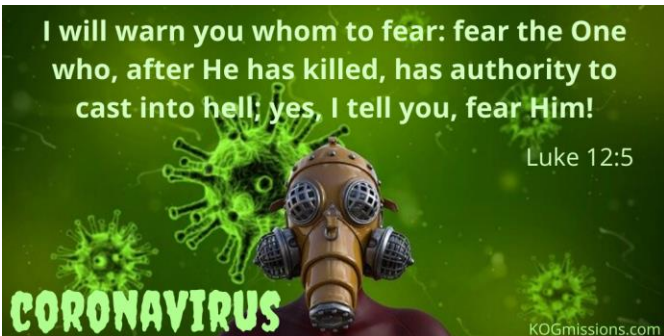

- *Do not be frightened*
- *Preach the Gospel of the Kingdom*

He is faithful and we must be as well, even during trials and tribulations because we have the Kingdom hope!

# COVID-19 Evangelism

Pastor Maksim in Russia, and I am sure many other pastors have been bombarded with people reaching out looking for hope and peace during these troubled times. **What a GREAT opportunity to share the true Kingdom Hope with people!**

**People are literally afraid of dying.** They don't want the fluff; they are looking for solid biblical teaching and we must be ready to share that with them!

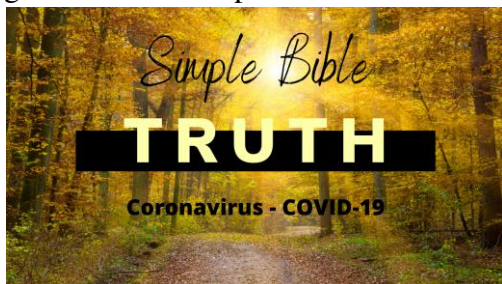

**No more illness, pain or death are welcome words of encouragement to the masses!** (Revelation 21:4)

Death is an enemy, but we shouldn't fear it. Christians should not be anxious instead they should be exhibiting the peace of God that goes beyond the world's understanding. (Philippians 4:6-7) What a wonderful witness to the people around you!

Resurrection and immortality are real for obedient believers, and we can offer this same hope to our neighbors, co-workers, friends and the nations.

Please pray for those on the front lines ministering to those who are fearful and seeking something more. Pray that people's hearts and minds would be open to receiving the good news of the coming Kingdom of God.

# Book Printing

*in Russian*

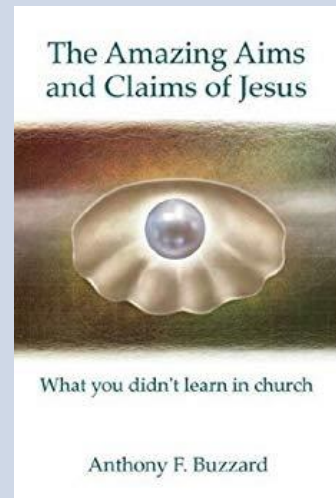

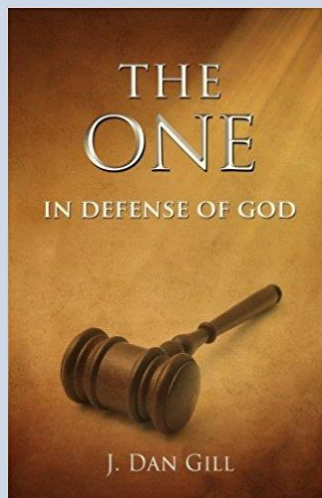

Books are an essential tool in Russian ministry. Many people do not have internet, and Russians have always valued books and are avid readers.

New contacts can explore at their own pace and then dialog with Maksim about what they have read.

Brethren are able to reinforce their faith and continue studying on their own.

**Please consider how you or your church might be able to help print these two books.** Due to all of Maksim's hardships over the past year, the books have been postponed. **The need is great now and we must get them printed.**

(Donation information at end of newsletter)

**Only \$3.50/book**

**1000 of each book**

# Dean Moore, Happy 93<sup>rd</sup> Birthday!

We wanted to wish Missionary Dean Moore a very happy birthday!

Dean graduated from Oregon Bible College and then married his life ministry partner, Virginia.

Dean and Virginia began a journey of following God in faithful service for over forty years. They ministered to 23 churches in the US and Mexico.

Dean ministered to and discipled migrant workers from Mexico when Pastoring in Michigan. After living and ministering in Mexico for about five years, the family moved to Texas and Dean continued traveling into Mexico to preach and disciple people.

Dean and Virginia have kept their hearts for missions over all these years and continue to pray for the nations and the missionaries on the front lines. They were of great encouragement to me when I was in the planning stages before going to Russia and I continue to be blessed by them to this day.

Presently they reside in Oregon IL. Dean continues to write devotional messages, some of which can be read on [kogmissions.com/devotions](https://kogmissions.com/devotions).

**Thank you, Dean and Virginia, for your love of the truth and for your faithful Kingdom service!**

## Caitie's Journey from Trinity to Unity

Restoration Fellowship interviewed Caitie about her journey from believing in the trinity to believing in and loving the truth about the Father, the One true God, and His human Messiah, Jesus.

We hope you too can be encouraged by her passion and love for this simple Bible truth that is woven throughout the Scriptures.
