Prison Ministry

Sowing the Seed of True Freedom

Years ago, Pastor Maksim placed Bibles and various books by Anthony Buzzard in the local prison. One man got in touch with him and asked him to contact his father because he thought he would be interested. He was, and we gained a new brother. Because of this ministry, today, Maksim is ministering to a young man, Igor, who recently got out of prison. They corresponded for about three years while he was still in prison and have now been talking for about 3 months after he was released. Please pray for Igor as he acclimates to “real” life and as he grows in biblical knowledge. Pray his heart and mind would be receptive to the saving knowledge of the Gospel of the Kingdom and to living righteously.

Are You Willing to Pray This Prayer?

Lord, bring people to me who are searching for or who would be open to truth!

Would you be willing to pray this prayer with me? *Lord, bring people to me who are seeking your truth or who are open to hearing it. Bring people into my life who believe truth and are looking for fellowship with like-minded believers.*

After several weeks of praying this prayer, amazing things began to happen. One lady reached out to me (with whom I had never spoken before, we were just Facebook friends) and asked if we could talk. She hoped I didn't think she was too “weird”, but felt very strongly that she wanted to talk to me. NOT a weird lady, just one earnestly seeking God's truth!

Even more amazing was God confirming that this was an answer to my prayer as we spoke and she said she had been crying out to God asking Him who she could talk to. I also shared that I had been praying that God would bring people into my life who were seeking truth or fellowship.

The following week a brother reached out to me telling me that a sister in another country wanted to know if I would talk to her. God is amazing! People are seeking truth and they are seeking fellowship and encouragement.

Please, pray this prayer with me. There are people who want to know God. There are people seeking His truths. There are people who want to fellowship with others who believe the same truth they found on their own because God is faithful to those who are willing to seek Him!

What is Money?

Money, like any other possession or blessing, brings responsibility. We are told in Scripture that we will be held accountable for everything that we have been given (even if we worked for it ourselves.) If we have been blessed with much, much will be expected of us.

From time to time it is wise to evaluate and take inventory of what we have and how we are using it. God did not bless Americans or other Western countries because He liked them more or He thought they deserved an easier or more comfortable life. He blessed them so that they could be a blessing to their brethren and so that they could contribute to the Kingdom work He was doing around the world.

You can't take money with you and everything we have will rot. The only thing money can buy that will last into the coming age is love and immortality.

There is no stock that will out perform and bring more riches. There is no "toy" that will bring more joy to your life, now and in the Kingdom.

Invest your life and your money in the Kingdom work God is doing to bring the message of reconciliation and the hope of resurrection and immortality to the dying world.

Your sacrifice will not only be rewarded, but in doing so you will help snatch others from the fire and give them the opportunity to receive the Gospel message that Jesus spent his life proclaiming.

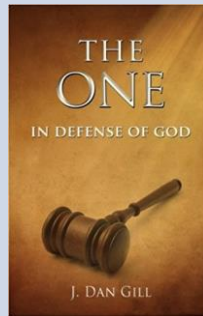

What better way to spend your hard-earned cash but by partnering with those who are working hard and spending their lives on the front lines in Kingdom service!

Russian Book Printing

Books are an essential tool in Russian ministry.

Please consider how you or your church might be able to help print these two books. Due to all of Maksim's hardships over the past year, the books have been postponed. **The need is great now and we must get them printed.**

Fish Pond in Kenya

Pastor Maurice of Kenya is seeking partnership in his ministry.

The greenhouse and fish pond will not only help provide for his family, but it will help meet financial needs he has in ministry.

We all know that there are many personal and ministry needs all around the world. What a blessing it is when we can help our brethren not only eat today, but make a way to continually help meet those needs.

Please consider joining Maurice in the effort to be more self sufficient and partner with him in his Kingdom Ministry!

Please mark donations:

"Kenya Farm."

"You give a man a fish and you feed him for a day. You help him make a pond and you help him feed his family and do the Kingdom Ministry he left a good paying bank job to do." (Chinese Proverb & Tracy)

Internet *Evangelism*

What an Opportunity!

According to GSMA real-time intelligence data, today, there are 5.28 Billion people that have a mobile device in the world. This means that 67.95% of the world's population has a mobile device. **There are now over 9.82 Billion mobile connections worldwide, which surpasses the current world population of 7.77 Billion** implied by UN digital analyst estimates. This data means there are 2.05 billion more mobile connections than people worldwide.

Blessing and Curse

The internet brings us great opportunity to fulfill Jesus' Great Commission. Unfortunately, it also provides the "dark side" opportunity to promote their agenda and spew false teaching into the hearts and minds of many people. We must be faithful with the truth entrusted to us and do our best to help people find the true manna and whole measure of Truth that Jesus taught.

Pastor Maksim in Russia is up to 91,500 subscribers on one of his social media platforms! This has proven to be an amazing tool to meet people and to share the Kingdom message Jesus commissioned the church to preach.

Probably less than 20 brothers and sisters have come to the saving truth from this social media outreach, so that may seem rather bleak if to look at the 91,500 subscribers. Some might ask if it is worth it. I can guarantee you that those who will rise at the last trumpet and sit down at the Marriage Supper of the Lamb with us, will consider it well worth it!

Much seed is sown, but little finds its way to the good soil of open hearts and minds. We must be faithful to do what we have been told to do. We cannot get sidetracked with other things, no matter how good they seem. Half-truth will not bear the fruit of immortality and life in the age to come.

This is a [FANTASTIC event](#) and not as "boring" as the title may indicate! It is such a blessing to meet scattered brethren from all over the United States and the world! If you desire to grow in your love of truth and want to be encouraged by the testimonies of many who have found the great news of the coming Kingdom of God and the human Messiah Jesus, you don't want to miss it!
