

# Kingdom Newsletter

By Tracy Zhykhovich, MN Missionary Society President & KOG Missionary

## Happy Birthday Anthony!

We rejoice in the day of your birth, not because you have the title of "Sir" or because you are some great man. We rejoice because we know the man God called many years ago to His Kingdom service, heard the call and responded. Thank you for sacrificing your birthland and worldly positions to not only follow God's Messiah, but to serve with your whole life, embracing Jesus' purpose as your own. (Luke 4:44)

Few people have inspired and encouraged me as you have. I am very grateful and hope to pass on your love of truth and the Kingdom hope to at least a few people who will in turn also pass it on.

Our hope is resurrection and immortality, and life in the coming age when Jesus sits on the throne in Jerusalem. Although we can earn none of this on our own accord, we are told to spend our lives investing in things that will last, and we will be rewarded. I can only imagine how many lives you have touched directly and indirectly. You will only know that treasure when Jesus returns and says, "Well done, my

## Running the Race

### *85 Years Old and Not Slowing Down*

Let us run with endurance the race that is set before us, fixing our eyes on Jesus, the author and perfecter of faith. (Hebrews 12:1-2)

good and faithful servant."

I have been greatly blessed to serve alongside you today, and I look forward to ministering and governing together with you when Messiah Jesus returns.

Thank you for leading from the front and not taking a seat on the sidelines as your years pass. May God continue to give you health and strength to minister to the saints and preach the GREAT news of the Gospel of the Kingdom!

Much love and respect to my dear friend, mentor and brother in the faith. I was blessed to be in the front row, and the Kingdom message still makes me beam!

# It's a Small World!

I continue to marvel at the internet and cell phones! What great tools for evangelism and connecting with the church around the world!

I had the pleasure this past month to talk to people in:

- **Russia**
- **Denmark**
- **Sweden**
- **Kenya**
- **England**
- **Slovakia**
- **Oman**
- **India**
- **Pakistan**
- **Philippines**
- **Australia**
- **Various States**

What a blessing! One afternoon I wrote or spoke with people in three or four different countries! That evening I reflected on this amazing opportunity and a feeling of gratitude and thankfulness welled up inside. I am so blessed and rejoice that I can be a blessing as I focus on the Great Commission and ministering to the saints.

The internet opens the world up to us! No passport is needed and you don't get jet lag. Anybody can sacrifice their time and travel to basically any country that they want to day or night! (And it will be night or early morning in many of the countries or for you.)

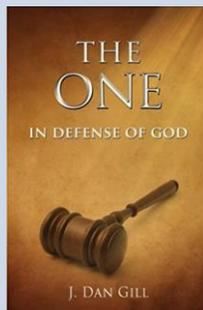

***Bon Voyage and Happy Travels!***

## **Russian Book Printing**

Books are an essential tool in Russian ministry.

**Please consider how you or your church might be able to help print these two books.** Due to all of Maksim's hardships over the past year, the books have been postponed. **The need is great now and we must get them printed.**

(Donation information at end of newsletter)

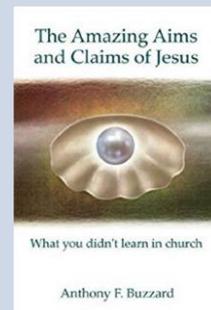

**Only \$3.50/book**

**GOAL:**

**1000 of each book**

(We are about half way there!)

## **Fish in Pond! - Kenya**

**Thank-you video to all who contributed!**

What a blessing to have been able to help Pastor Maurice with his fish pond. Please pray for his fish to grow healthy and be a blessing to his family and his ministry.

### **Thoughts from Pastor Maksim, Russia**

Whenever we are given the opportunity to share the truth with people, we must be mindful that we are sharing the whole truth. Maksim is often presented with the chance to share the Kingdom Gospel with many people from various backgrounds. He shared a story of a man who had, many years ago, escaped a well-known cult, sadly, after that the man adopted New Age beliefs. Prompted from this conversation with the man and many others, Maksim said, "There is so much deceit and so many lies in the world, we must take our mission seriously. **Making mistakes has a high cost, people's lives!** We must preach the full Gospel of the Kingdom to people as Jesus did, not just one teaching." **Maksim's heart is precious and his love for truth and people challenge and inspire me. I hope his words will inspire you as well.**

# Business Connection

All those who had believed were together and had all things in common; and they *began* selling their property and possessions and were sharing them with all, as anyone might have need.

Day by day continuing with one mind in the temple, and breaking bread from house to house, they were taking their meals together with gladness and sincerity of heart, praising God and having favor with all the people. And the Lord was adding to their number day by day those who were being saved. (Acts 2:44-47)

## Believers Helping Believers

We see the early church helping and caring for one another. Besides blessing each other and helping meet one another's needs, the church grew!

Today most Christians don't live in such a community, but we can still support and help one another. Since most of us don't have extra fields to sell and I doubt most would be willing to sell their possessions to help brethren in need, we can still help

each other and support one another, and we should.

Besides the obvious, helping out financially when someone is in need, we could make it a priority to use each other's services and goods. Why would we not want to?! If their goods and services are something that we use or buy, it would be good stewardship to support our brethren and their families. If the price is not drastically above their competitors and their service is good and products quality, why would we choose to give our business and our money to others?

I belong to a BNI (Business Networking International) and the principle of the group is to give business referrals to the other members. The group is loyal to one another and takes the time to get to know one another and what each one does so that they can pass referrals. Christians should take this example and learn from it.

I would like to put together a business web page for like-minded believers. It will be sectioned by countries and states and then businesses. It will be a resource for local businesses you could use, like hair salons, pizza shops, or realtors, and world-wide for those that can be used virtually, like web or graphic design.

July 30 – August 2, 2020

Due to COVID, this year's conference will be a **VIRTUAL** conference. It is a great opportunity to participate without leaving home. Although it is disappointing not to be able to meet in person, it is a blessing to be able to meet online. Join in for challenging, encouraging and inspiring presentations.

Please pray for Pastor Edwin from Peru. He still has not had surgery, so please pray they will get him in!
