The two witnesses have authority to:

- prophesy
- to close up the sky so that it does not rain
- have power to turn the waters to blood
- and to strike the earth with every kind of plague

If anyone wants to harm them, fire comes out of their mouths and completely consumes their enemies.

When they have completed their testimony, the beast that comes up from the abyss will make war on them and conquer them and kill them. Their corpses will lie in the street, but after three and a half days a breath of life from God will enter them (resurrection).

(Revelation 11)

Matthew 24:29-31

Immediately after the suffering of those days, the sun will be darkened, and the moon will not give its light; the stars will fall from heaven, and the powers of heaven will be shaken. Then the sign of the Son of Man will appear in heaven, and all the tribes of the earth will mourn. They will see the Son of Man arriving on the clouds of heaven with power and great glory. And he will **send his angels with a loud trumpet blast**, and they will gather his elect...
