Pakistan School Ministry – Thank You!

A BIG THANK YOU to all who donated and prayed for this great need. Most of the books are purchased. We only need books for 5 more students.

They have not asked, but I would like to send extra money to help feed the kids a small lunch when they are at school. If you have watched the news, the poor families are really going to struggle with food due to the cost of basic necessities going so high. These children come from poor families and are probably hungry at home. Any extra money that comes in for school I will tell them to get some food for the children after class.

You can [donate here](#) for the children's books or school lunches.

.....
The evangelism team and pastors are doing well and keeping very busy. Another family has accepted the one true God and the human Messiah Jesus. The lady came to the women's conference and now her father and sisters received the truth as well. They will come to church and continue to be disciplined.

Maryam has said that *mothers will change the nation*. Just like Carlos and I discussed on our [women elder livestream discussion](#). Women teaching children is an important & vital ministry!

You can [donate here](#) for the children's books or food for them.

(100% of all donations received goes to the school needs.)

PRAY for Brother Boris (Ukraine)

Please pray for our dear brother Boris. He is doing worse lately and Maksim has been talking to him every day to encourage and comfort him. Please pray for Maksim as well, and for the other brothers in Ukraine. They said it is very difficult.

Thank you for helping Boris get a phone months ago, it has been such a blessing. May He stay strong in faith knowing the Kingdom is coming!

Prison Ministry in Russia

Maksim wanted to share a little about the prison ministry in Russia. Years ago, like he often does, he asked God to put on his heart what He wanted him to do. He has now been putting books and Bibles in prisons for four years and we have four brothers, Nikolai, Igor, Arkady, and Vasily. Please continue to lift these men up in prayer as they follow Christ.

When God placed this ministry on Maksim's heart, he remembered an acquaintance from the University who now works with prisons. Maksim reached out to him and found out how he could get material into the prisons for the inmates.

He sends a package of Anthony Buzzard's books, "Our Father's are not in Heaven" and "The Doctrine of the Trinity: Christianity's Self-inflicted Wound," along with 3 Bibles (different versions), a children's Bible, and a biblical encyclopedia. (They don't allow short books or booklets. He sends the men who write him our other material and a personal Bible when they correspond.) Each book has Maksim's contact info.

Currently he is corresponding with about 40 inmates. When he writes he always includes an stamped envelope. Often the men write long 7-10-page letters and Maksim tries to respond with at least 2-3 pages.

Unfortunately, with the cost increase due to inflation, he wasn't able to place the books and Bibles in any new prisons in 2022, and he still needs to reprint some of the books.

Please pray for Maksim as he ministers to these men, and for the men to be fertile soil for the Kingdom seed.

Brother Nikolai

Mocha's World
Drinking Water

Pastor Maurice has had many entrepreneurial projects over the last years: honey bees, a fish pond, vegetable gardens, etc., but this drinking water project could be a real game changer for the ministry, the brethren, and the community.

There have been many hurdles over the last year and they still have various licenses and other formalities that must be finished and paid for, but everything is moving forward.

All the staff, with the exception of one chemical engineer, are local brethren, even the distribution drivers and sales team. Some of the profits will also go toward ministry. This is a great opportunity to help our brethren in Kenya be more self-sufficient.

We are working on setting up a non-profit that would allow donations to go toward this ministry, and donors to receive tax benefits. If God has put on your heart to help now and you are not concerned with tax write-offs, please reach out to me and I will get you the info to donate directly to Maurice for this water project. tracy@kogmissions.com. He would appreciate that greatly.

Great truth teaching! Thanks again Tracy. I have just listened with my wife and what a great way to start our day! Yes, as Christians living and speaking truth we will be persecuted and yes, we will rejoice in that persecution. (YT "[Suffering](#)")

The truth makes sense. Thanks for this Tracy. May God guide truth seekers to this. May God continue to bless you. (YT "[Simple Resurrection Truth](#)")

I'm so thankful that you ladies allowed me to be a part of your group. These studies are just too good to miss. (Email about Women's Bible Study)

Amen Tracy if peoples knew and could see what lays in wait for us and just how evil this world really is! Thanks for bringing this to the table. May this Message REACH FAR & WIDE! (YT [End Times Series Part 1 Overview](#))
