More Baptisms in Russia

The Father continues to draw open hearts and minds to Himself as His faithful Kingdom work continues throughout the Russian speaking world.

Pastor Maksim ardently discipled people for years as they study and come to the faith and repentance. Brother Genadi (about age 45) met Maksim in the hospital after he had a car accident while traveling through Omsk.

After approximately two years of correspondence, calls, and discipleship, Genadi repented, turned his life over to Jesus and is ready to be baptized. Please pray for Maksim as he travels and spends time with Genadi and his wife Christina. Genadi asked for prayers for his wife. He has been trying to share his faith with her. She is open to hearing what Maksim has to say.

Genadi lives near Lake Baykal and Maksim will fly about 3 hours or so Irkutsk, and then by train and bus to their small town.

While he is in that area he will also travel to visit a couple, Afanassi & Antonina (about age 70), whom he met through their son who was in prison where Maksim sent books and Bibles. The young man asked Maksim to send his parents the material as well and he encouraged his parents to be in touch with Maksim because he was “the real thing” and could be trusted. (They left a protestant church after a bad experience.)

Maksim has been sending them encouraging letters and has been discipling them little by little for about two years and the last year intensively. He plans to baptize them as well.

Theological Conference

Do You Have to be a Theologian?

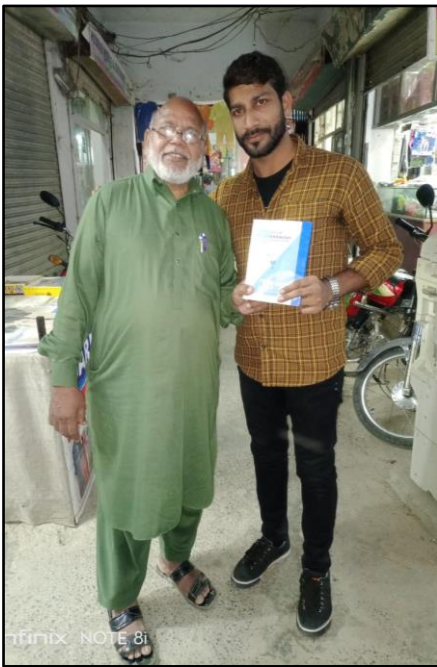

No! You do not have to be a theologian to attend, watch, or chat.

If you missed the 2023 [Theological Conference](#) put on by [Restoration Fellowship](#) you can watch the replays [here](#).

Those who attended live were blessed interacting in the chat and asking questions to the presenters. We enjoyed faith stories and a variety of presentations that challenged us all.

Watch the [replays](#) if you missed this year's conference and hopefully you will be able to make next year's theological conference!

Evangelism in Pakistan

Brother Parvez, a journalist, faithfully does the work of an evangelist. He and the rest of the team in Pakistan continue to faithfully proclaim the One True God, the Human Messiah Jesus, and the coming Kingdom.

Pray for the team as they continue to disciple those they reached on previous evangelism trips, and for all who would hear the Good News!

One outreach effort ended in victory! The team was visiting a family regularly for several months having detailed discussions, including the adult sons and daughters. They had many questions and the team answered them successfully. On this last trip (picture below) the family finally accepted the truth of Scriptures publicly.

Please keep this family in your prayers as well as all others who are on their way to accepting the truth of Scriptures. Please also keep the team in your prayers as they travel and speak. (They are currently traveling.)

Also pray for two Muslim men (Muhammad & Malik) with whom the team shared biblical truths. They accepted what was said as true, but if to publicly confess these truths, they could lose their lives. Pray that they would see that they have much more to gain, than to lose.

Pray also for Haroon as he ministers to Muslims in the UK and works with the team back in Pakistan.

Russia Continued...

Many years of work go into the one lost sheep. Maksim genuinely cares for each person and meets them where they are at in life and spiritually.

Please also pray for Nikita (age 13), the orphan “little brother” that Maksim spends time with usually two weekends a month. Maksim was able to find his uncle and it seems that he may be interested in taking him to live with his family. The uncle is coming to Omsk at the end of May to meet with Nikita and the people at the orphanage.

The orphanage told Maksim that if Nikita finds a home, they already have another boy waiting for him.

As Maksim shared with me the other day, he is committed to preaching the Kingdom and reconciling people to the only true God and His human Messiah until he falls asleep in the Lord. Please partner with him in prayer and pray for his health and for strength and wisdom. Thank you!

Very nice - well done! Can't wait to see more! (First YT Short "[Global Warming or a Renewed Earth?](#)")

Thanks Tracy. During the height of the cold war, there was the worry that it could escalate to a full-blown nuclear war, destroying all humans. The truth sets us free (John 8:32) from such worries. Thanks for all you do bring truth to others. (YT- "[Can an AI Bot Wipe Out Humanity?](#)")

Thanks! I thoroughly enjoyed the background music. I however enjoyed the "what about" texts more! Thank you! Remain blessed. (YT "[What About John 1:1?](#)")

Thank you, Tracy. Simplicity revealing great Truth. (YT "[A Little Sin \(Youth Lesson\)](#)")

Excellent! My favorite topic! Thank you, Tracy! (YT-[Bible Chalk Talk: Millennial Age](#))
