

# God's Kingdom Plan

Jesus was the first human raised to immortality. When he returns to the earth those who died in faith will be **resurrected and given immortality** too. "The trumpet will sound, and the dead in Christ will be raised imperishable, and those still alive will be changed"

The destiny of all humans is death and then then judgment (at resurrection)  
**Hebrews 9:27**

**1 Corinthians 15**  
**1 Thessalonians 4:13-5:11**  
**Matthew 24:29-31**

**Great White Throne Judgment**

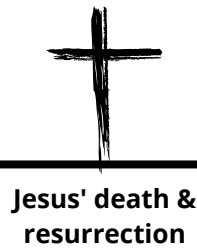

**Sin brought death (the curse)**

God alone created the earth and everything in it, including humans  
**Genesis 1:1**  
**Isaiah 44:24**

Humans will have a hard life & hard work and then die and return to the dust/earth  
**Genesis 3:18-19**

**Jesus' death & resurrection**

**1st Resurrection**

**1000 Years**  
(first phase of the Kingdom)  
Immortal believers reign with Jesus on the Earth

**Revelation 5:10, 20:1-6**

**2nd Resurrection**

**Lake of Fire**  
Destruction (dead forever)

**New Heaven & Earth Revelation 21 & 22**

Curse removed, New Jerusalem, God dwells with humans

Death is compared to sleep. When humans die they "sleep" in the ground until resurrection. Some will receive life forever and others condemnation and eternal destruction when they are resurrected

**Daniel 12:2**

A time is coming when all who are dead in the tombs will come out (be resurrected), some will be given immortality and live forever in the Kingdom, and others to judgement (some to life and others to destruction in the Lake of Fire.)

**John 5:28-29**

**Revelation 20:4-6, 11-15**
