## Rejoicing with Maksim & the Angels in Heaven

**Brother Afanasi & Sister Antonina**

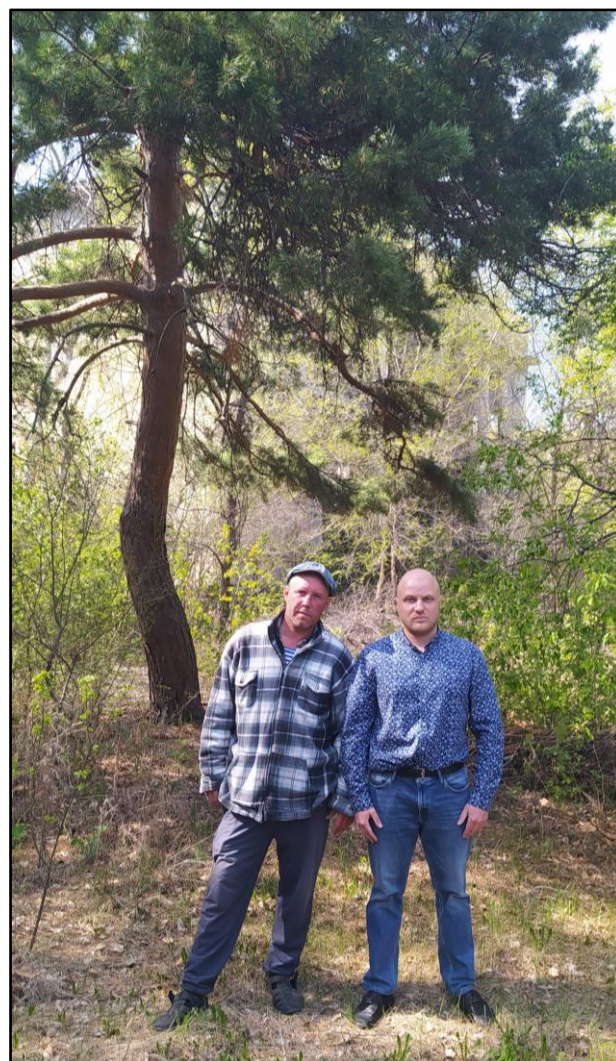

Maksim spent about 3 weeks traveling in the Far East of Russia. He baptized 3 people (brother Afanasi & sister Antonina, and brother Genadi. – read the May newsletter to find out more about them and how Maksim met them.) He also visited brothers Nikolai and Vitali.

Maksim flew into Irkutsk and then traveled by bus, vans, and trains, returning home by a 2-day train ride. (He was happy to be in a compartment for 2 days with people who were interested in what he preached!)

Most often Maksim spends years ministering to people and discipling them before they make the decision to commit their lives to following Christ. Once they do, they have a solid understanding of biblical truth, and know the seriousness of taking up the cross and following Jesus. They understand what it means to lay down their life and live in faith and hope.

When Maksim meets with brethren, they spend their time together studying, fellowshiping, and strengthening one another. First and foremost, they study and discuss the many foundations of our faith. Maksim also educates them on how to destroy any attacks of false teaching, and they role play how to share what they believe if people ask.

**Brother Genadi**

Maksim answers question with Scripture, teaches the Bible as the only authority for doctrines, and focuses on the teachings about the Kingdom, the one God, who Jesus is (human and not preexistent), the second coming, mortality of man, sleep of the dead, and the command to love one's enemies and not take up arms.

## New Brethren Continued...

Maksim is greatly encouraged to reap the fruit of his faithful labor in the fields. He rejoices in God's goodness and the joy of each who repent and turn to the living God.

Please continue to pray for his head. He still has bad headaches. Also pray for strength and wisdom as he continues serving out Lord every single day. Pray for those seeking, that they would cross Maksim's path and find the amazing Kingdom hope that we have to look forward to when Jesus returns. Thank you!

**Little Brother Nikita** met his uncle last week and he is hopeful that he will finally have a family to live with.

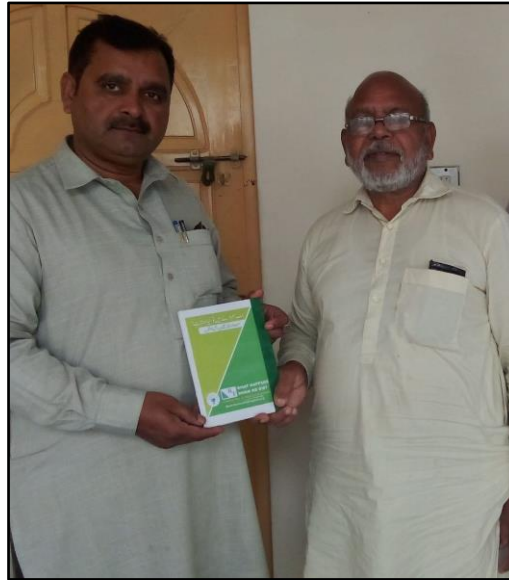

Please pray for the paperwork and legalities to get done so he can leave the children's home.

Pray for blessings on the family and that they can make ends meet with another person in the family.

The orphanage already has another "little" all lined up for Maksim to mentor.

Pakistan evangelism continues to plant seeds of God's Kingdom and Who Jesus really is.

Thank you for your prayers for Pastor Rafi when he was injured by an attacker. Praise the Lord he was fine and was able to finish the trip and made it home safely.

Your generous donations last month helped fund the evangelism trip and the purchasing of the needed workbooks for the school children. They continue to learn and get an education that would otherwise not be possible.

Please continue to pray for the team as they spread biblical truth and disciple those who are open and willing.

Wow! Powerful presentation! Excellent! Thank you, Tracy. (YT "[PRIDE \(A Biblical View\)](#)") It had over 1000 views in less than 24 hours!)

Thanks Tracy. I benefited from this. The 12 points at the end is very helpful. May God continue to guide those who seek Him to His Truth. (YT- "[Millennial Denial \(Taking Away Jesus' Last Reign & Last Words to the Church\)](#)")

It was a blessing to join the ladies last Wednesday. I hadn't thought much about the millennial temple, but the discussion was interesting and enlightening. (Email)
