More Rejoicing! We Have a New Sister in Kazakhstan

Pasor Maksim, Sister Veronika, & Misha

Praise God that Maksim was able to go to Kazakhstan to baptize our new sister, Veronika! (It is an 11-13-hour trip by a taxi bus, including several hours on the border.)

Maksim met her about 4 years ago when she came to the hospital where he volunteers, with her 8-year-old son. After 4 years of correspondence and discipleship, Veronika made the decision to repent and obey by being baptized as Jesus commanded.

Please pray for her as she continues to grow and walk out her faith. Pray for her son Misha and that he will see the hope and joy that his mother has, and also that he would desire to know his Heavenly Father.

After spending about a week and a half in Veronika's town Maksim took a bus 3-4 hours to another city where he met with 4 people (individually), one couple and two others. These people are ones that Maksim has been talking to and corresponding with. He tries to meet with people when he visits brothers and sisters and is traveling by where they live.

KOGmissions.com | 1

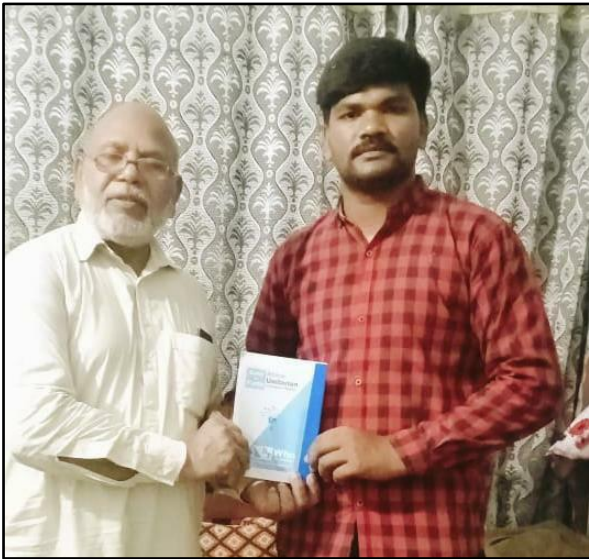

Please continue to pray for Maksim as he corresponds and talks with people - for wisdom and discernment. Pray for his protection and his head pain. Pray for him as he ministers to the brethren and as he encourages the brothers during this hard time.

Pakistan Evangelism Trip Planned for Late Summer

The team in Pakistan is planning an evangelism trip to Sahiwal to share who Jesus really is and what happens when we die (and the Kingdom hope.) This will be the first time these precious truths will be shared in this town. Please pray for open hearts and minds and that God would prepare the soil.

We are requesting [donations](#) for the travel/trip expenses and the printing of the two booklets. They are hoping to go in August, depending on donations. **Please consider partnering with our brethren in this ministry.**

Please pray for Pastor Nathaniel's widow. She is trying to keep the church going and keep the true faith. She continues to encounter persecution from her Catholic family.

Also pray for the brethren as they have been forced to participate in protests with threats on their lives. The Muslims want the world to see that the Christians also do not approve of burning the Quran (what happened in Sweden this past month.)

School is going well, praise the Lord. Thank you for the workbooks! These are some of the children who are learning to read and write!

Consider [partnering](#) in monthly ministry donations to help print this essential material (*Who is Jesus? and What Happens When We Die?*) and for trip expenses.

Christians and the Occult

Every journey is worth sharing and freedom from any bondage, religious or worldly, is reason to rejoice and praise God! This past week I was blessed to meet Clare, and ex-psychic who found her way to believe in the one true God, human Messiah Jesus, and the future Kingdom hope.

It has been on my heart to address this topic for nearly two years, but this inspiration has been on hold. Several weeks ago it welled up inside me again, but it didn't go anywhere. Then, I met Clare and now I know why. It is Clare who is going to speak God's words to the church on this topic. [Subscribe](#) and click the bell if you already haven't so you will be notified when Clare's testimony comes out in a week. [youtube.com/@KOGmissions](https://www.youtube.com/@KOGmissions)

Clare was a professional psychic, teaching and practicing until she found Jesus. She spoke with demons and now she speaks to our heavenly Father and to our Messiah Jesus.

Watch for her amazing testimony to come out and then we will begin a livestream series on [KOGmissions.com](https://www.KOGmissions.com) | 2

Thursday, August 3rd, 8 PM EST.

In the livestreams we will address many topics and the chat will be open for questions.

Clare will be sharing what sorcery really is and real-life examples about the occult. She will talk about how people open doors to demons. She will expose the dangers of sorcery and will address black vs white magic, exorcisms, being a "progressive Christian," and much, much more.

Encouraging Correspondence!

Thanks Tracy and Anthony. Let us all endeavour to continue to tell others about this wonderful truth! (YT "[Jesus' Inauguration \(Why the Millennium is Not Now\)](#)")

I like how simple and complete Truth is expressed here. Thank you, Tracy. (YT- "[What Happens When Jesus Comes \(Youth Lesson\)](#)")

Hi Tracy, I follow you on YouTube and really appreciate your information and, also your style of interviewing giving time for the other person to talk without jumping in. I am new to one God and kingdom and am loving the community you have shared. I have joined Robin also, Carlos, Anthony, and others.

You have mentioned several times about having a Women's Bible Study. Would there be room for me to join and possibly another friend? (Email)

(There is always room for Kingdom loving women and human Messiah Jesus and one God truth seekers!)
