## New Sister in Arkhangelsk

We rejoice with our new sister Dariya who was recently baptized! Maksim met her several years ago on his Russian Facebook-like platform. She has taken in her 10-year-old niece and is raising her (the mother is not capable) and I am sure she could use prayers for that.

They were blessed with a good time of fellowship, prayer, and study. Maksim continues to disciple people and answer any other biblical questions they may have.

This trip was a long one with many legs of travel. From Omsk Maksim took an overnight train about 8 hours to Novosibirsk and then flew to Arkhangelsk 8-9 hours. He spent about 10 days with sister Daiya and met with 3 people in her city that he had been corresponding with over the last year.

From there he flew to Moscow (about 5 hours) where he met 2 other brothers, Shakrom and Igor. Igor works on "farm" outside of Moscow where he lives with relatives, and Shakrom was in Moscow for some work and planned the fellowship around that. Maksim also met with 6 people he had been corresponding with. Then he flew back to Novosibirsk where he spent 2 days with sister Natalia before taking the overnight train home.

He met a man on the plane and shared the Gospel of the Kingdom with him and the man then reached out to him after for material to read and to talk more with Maksim.

Thank you so much for your prayers! Although he was exhausted when he returned, his head did not hurt him while traveling! That is a GREAT answer to prayer!

After returning he is spending the weekends with Nikita from the children's home.

Maksim also requested prayers for a group of 5 men in Uzbekistan that he has been in contact with for a year or two. After prayer and some study, they were open to discussing

biblical truth further with him. They were in a church that fell apart after the pastor left and so there is a small group that remains. Please pray for Maksim as he ministers and teaches and for the men's hearts and minds receive the Good News Jesus proclaimed!

# Pakistan

Thank you for your faithful prayers and support of God's truths being proclaimed in Pakistan, and for expressing His love of these little ones! Because of several generous donations the school was able to provide the children with some healthy meals. This was such a blessing due to the very hard times in Pakistan with the economy and with the rising food prices. Their poor families have a hard time putting enough food on the table at home.

Pastor Haroon shared with me that even the Muslim families allow their children to come after they heard these Christians believe in one God. Haroon told them that they are not trying to convert the children but because it is a Christian school they do

read the Bible before classes. Amazingly, the Muslim parents still wanted to bring their children. Please pray for teacher Sarah and for the others in the church that help out. Also pray for them as they plan the evangelism trip and for the finances so they can go.

## Canada Trip

**Thank you for your prayers!**

Last month I flew to Vancouver, B.C. to baptize dear sister Sharon and I was very blessed to spend a week with her.

I was also blessed to meet some of her family, and especially a dear sister who had left the World Wide Church of God (Armstrong) 10 years ahead of Sharon. When Sharon finally left, her friend gave her the *Focus on the Kingdom* magazine that she came across. Through this Sharon connected with Anthony and Restoration Fellowship, and then found my Bible study.

It is amazing how God works and His faithfulness to those whose heart is good soil and seeking.

I look forward to sharing Sharon's amazing testimony with you soon. You will find it very inspiring and encouraging!

Again, a big thank you to *Restoration Fellowship* for making this trip possible, and even more, for bringing Sharon into my life because of their excellent monthly magazine, *Focus on the Kingdom!*
