Russian Ministry – The Fruit of Faithful Labor

In May it will be 10 years since we partnered with Maksim to spread the good news of the coming Kingdom in Russia and to the Russian-speaking world.

It all started with Maksim looking for like-minded fellowship and brother Anthony Buzzard was the only one who replied to his letters. He put me in touch with Maksim, logically, since I spoke Russian and had lived there nearly 20 years. I was on the LHI board at the time (Lord's Harvest Int., COGGC's mission board) and they agreed to also partner in this ministry and support the Kingdom effort that Maksim was called to. Many faithful brethren prayed for him and donated to the effort. Today he is prayed for and the ministry supported from brethren from all around the world.

Church of God General Conference (COGGC) and LHI have decided to *not* support this ministry as of November 2023 and have chosen to step away from the partnership.

Since the war started, we needed to adapt to keep the ministry going and God has opened doors and made a way. Restoration Fellowship and Kingdom of God Ministry & Missions are dedicated to this work and will continue supporting God's ministry in Russia, along with the many sisters and brothers who have since come alongside Maksim. We will need to replace LHI's support so please prayerfully consider if you can help. (Please see the end of the newsletter where donations can be mailed to if you choose to support with a check.)

We have all appreciated COG/LHI's generous support over the years and the many prayers. I am very grateful for the first chairperson Judy Myers and her commitment to truth and Kingdom missions service and her true heart for missions and missionaries.

I look forward to the day that along with her, we will meet the brethren whose lives have been touched by this ministry.

In 9 years we have gained 61 brothers and sisters from 10 different countries and in 2023 there were 9 baptisms, the fruit of faithful labor and uncompromising commitment to God's Kingdom truths.

2023 KOG Missions Conference -Replay

If you have any interest in missions or desired to partner with God's Kingdom servants by going or doing yourself, by giving, or by praying, these presentations will inspire you and be a rich resource.

A few of the encouraging comments from the conference:

"Maksim's' faith, perseverance, and love of the kingdom hope is so amazing. He has gone through many trials & has given up so much to spread the Gospel. He is a blessing to all of us!"

"Carla, I was peed to my computer listening to your every word with tears running down my cheeks. I am so proud of you! I know our Almighty God gave you the words for your powerful message!"

"Thanks for this Tracy. My gratitude also to Dan and Joe. I was very happy to see Shelley (by virtue of my background). Thank you all for your hard work. Remain blessed."

Thank you to all who joined us live and a very big thank you to each of the inspiring presenters. May we each finish the task that we have been given!

"David, so encouraging to know that you are evangelizing such a huge country with so many people...You and Maksim cover a huge part of the Earth!!!"

"Thank you, Robin for what you are doing to connect people."

"Diana does so much for the Simply Christian. Faith [website](#) and organizing our Saturday Night Live meetings. She is truly a blessing and has found her own ministry that has blessed me personally. Thanks Diana & Tracy! It's so interesting hearing stories of those who have woken up."

That was riveting, I could watch many times. Cements my position to stay out of nationalistic endeavors.

Thanks Tracy, for all you do. I really appreciate the testimonies of Maksim, Dave Ehad and Carla. They all have one thing in common. They are brave. I pray for God's blessings in all you all are doing.

Pakistan

It's that time of year again! Please consider partnering in the education of Pakistani children who would otherwise not be able to go to school and get a basic education, especially the girls.

Sister Sarah teaches the children and Pastor Rafi helps as he can. They are not compensated for this and need your help to continue this ministry in 2024.

We help purchase books and notebooks, and they still need more desks and chairs so the children don't have to sit on the floor. Please prayerfully consider what you can do. (\$150/child for the year)

Abortion & Post Abortion Recovery

One of our speakers this year, Carla Baixeras, addressed a topic that should be talked about more in our churches and at any Bible college that is preparing people for ministry. Unfortunately, today there are many more people seeking abortions, and thus, many needing post abortion help.

We appreciated Carla sharing her testimony and about the ministry God has called her to and we hope that it will help many women. If you know anyone considering an abortion, please share this [video](#) with them.

Likewise, if you know anyone who had an abortion and needs help dealing with that decision, no matter how long ago it was, please reach out to us and we will put Carla in touch with you. She does abortion recovery sessions live in the Miami area or can do them online – in English or Spanish. info@kogmissions.com Thank you Carla for your Kingdom service and missions to the unborn and their mothers.
