## KENYA - WATER

Many of you know pastor Maurice Chahilu in Kenya. He is a faithful Kingdom preacher and evangelist.

In the past I have helped him raise financial support for various “tent-making” projects that help support his ministry and other brothers and sisters as well. Together with many of you we have helped him build a fishing pond, bee hives, and gardens.

I firmly believe that missions is getting the good news of the coming Kingdom out to the nations by going where there are no preachers of truth and righteousness, or by partnering with those who live there who are doing the Kingdom work.

1 Corinthians 9:14 says that *the Lord commanded that those who proclaim the gospel should receive their living by the gospel.* Unfortunately, very few of those proclaiming the Gospel of the Kingdom are able to even survive without other income.

Brother Maurice left a good bank job to proclaim the Kingdom and shepherd the brethren in Kenya. He is blessed to be an entrepreneur so he has been able to supplement his income.

Several years ago we assisted Maurice in a water project that would be able to provide more significantly than the fish, vegetables, and honey.

The main ministry focus that God has given me is the Russian speaking world, Pakistan, and online

ministry (preaching, teaching, and encouraging the saints and connecting like-minded believers). But I also have been led to partner with Maurice as I can and help make his needs aware to the brethren.

**The water business, bottling and selling water, is in need of \$4700 to finish up business commitments in order to focus on the ongoing selling of bottled water. If you reach out to me and I can share more details and/or share as to where to send him a donation. [tracy@kogmissions.com](mailto:tracy@kogmissions.com)**

Please consider how you might be able to help so Maurice can continue ministering and meeting his basic needs. Perhaps you could sacrifice for a week or month the water or coffee you purchase each day while you are out and about. Maurice and the brethren would be very grateful.

# New Sisters in Russia!

Train Hallway

Maksim is leaving Friday to baptize 3 new sisters in the Far East. Two are near Ulan-Ude (north of Mongolia), Katya & Veronika, a mother and daughter, and one, Anna, is outside Blagoveshchensk (north of China). He will be traveling about two weeks.

We will share more details when he returns but please keep his travels and health in your prayers. He will have about a 50-hour train ride to his first destination. Pray for GOOD roommates in his compartment!

# Pakistan 2024 Schoolbooks

(The children also get fed which is a blessing too since they come from very low-income families.)

Thank you to all who have helped educate 40 children in Pakistan for the 2024 school year.

Of the 40 students, only 4 children are left without books.

Please prayerfully consider if you can support one child for the year (\$150/child for the year).

# Russian Essential Book Ministry

Books are an essential part of the ministry in Russia, as we have shared before.

We need to reprint Dan Gill's book, *"The One"* and Anthony Buzzards book, *"The Amazing Aims & Claims."*

We also have several new books ready to hit the presses:

- *"Who is Jesus?"*
- *"What Happens When We Die?"*
- *"The Coming Kingdom of the Messiah"*
- *"The Law, the Sabbath, and New Testament Christianity"*
- *"Systematic Theology" (lesson book)*

When we print books, we print 1000 copies of each book. They typically last several years.

Please prayerfully consider partnering in this essential part of the Russian ministry. You can actively be a part of spreading the Good News and discipling future brothers and sisters.

# What are you Willing to Compromise?

We must ask ourselves this very important question in regards to our faith and ministry, **"What are we willing to compromise?"** Before we try to answer this, it would be beneficial to ask and meditate on what Jesus would be willing to compromise, or what God was willing to compromise in the Old Testament.

In today's world & unfortunately in the church as well, people are tempted to compromise. Compromise only leads you away from the cross and possibly away from one's future inheritance. Jesus gave his all and he demands no less from us. We must take up our cross and follow him & we must be willing to crucify ourselves daily. There is nothing this world can offer that is worth compromising, & nothing the church can offer that is worth compromising God's truth and love for, not even numbers!

Thank you, sister Tracy, you are a true blessing. Great truth teaching! -- "Hi Tracy, beautiful message again. Thanks" (YT - New Zealand & Australia - "[Proverbs 2 Devotion](#)")

Thanks Tracy. Indeed, quality is more important than quantity. I cherish the small group that I'm associated with. -- Beautiful words and very useful. Thanks. (YT - UK & Australia - "[Fellowship: Don't Forsake Meeting Together](#)")
