Pakistan Evangelism Trip

Now this is eternal life: that they know you, **the only true God,** and Jesus Christ, whom you have sent. John 17:3

Brother Pervez and brother Nazir are on an evangelism trip this month in various Christian communities to share the good news of the coming Kingdom and Who Jesus and God really are. *Thank you for supporting this trip!*

In the first community they visited some Muslims were threatening them so Haroon advised them to move to another one. Things settled down then and they were able to continue ministering.

Please pray for them as they sow seed and talk with those who are open to hearing these biblical truths. Most people have never heard anything but the false teachings of the Catholic and evangelical churches. Unfortunately, the only other biblical unitarian group we know of is enslaved to and teaches the Law of Moses. May God bless these two brothers for their faithfulness and commitment to truth.

Consider [partnering](#) in monthly ministry donations for PAKISTAN evangelism trips & to help print this essential material (*Who is Jesus?* and *What Happens When We Die?*).

The Blessing of Persecution

Our brothers in Pakistan and in other areas around the world are not only persecuted because they are Christians, but even more so for their stand for biblical truth. They are accused falsely and even beaten for their faith.

Unfortunately, we see another persecution in America, and even in the church. As Paul told Timothy and others, false teachers as well as those who live in sin, will infiltrate the church, so the believers dedicated to God must beware and avoid such people.

Just because someone calls themselves a Christian does not mean they are following Christ and his teachings, even if they have the title of elder or pastor. If we want to please our Lord and master, we must not compromise. Jesus told us that we must love him more than we love spouses, mothers, brothers, or children. He also told us that we may not be accepted in our own families and religious circles and that we would be without honor there if we were preaching truth, just like he was when he was among his own people. Slander is unpleasant, but it beats a stoning!

Jesus said that we are blessed when we are cursed! We should learn a lesson from our brothers who are persecuted around the world, and stand firm and not compromise truth, even if it means losing a friend or a church..

Ministry of Testimonies

["Jehovah's Witness Leave the Watchtower and Finds Jehovah" \(Nancy's Testimony\)](#)

Testimonies are very powerful and encouraging and I know many people are grateful for those who are willing to share their journey to the Kingdom hope, the one true God, and to the human Messiah Jesus.

Just this week we had someone reach out to connect with a lady who did a testimony several years ago. It is encouraging to us as well when we see these testimonies helping and connecting many people.

Here are a few comments to Nancy's recent video. I hope you will be encouraged as well, especially if you are a former Jehovah's Witness.

"Nancy is such a solid and godly support to me within the ladies' bible study group, and I am sure, many others. Like Nancy, we are grateful to God and our Lord Jesus for leading us into more and more of their truth each day. May we all remain faithful."

"Thanks Nancy! Welcome to freedom!! Matt 11:28-30. "Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light." No more unscriptural man-made rules."

"What a great testimony! Thanks for sharing. I didn't know you were such a wild one in your younger days. I am happy you never did get baptized as a JW and so happy to have you as one of our sisters now."

"Nice you know you are part of something now Nancy, we love you."

Summer Ministry Trip

In July and August, I will be traveling to Europe to visit and encourage fellow brethren and ministry partners. I will be in the Netherlands, UK, Czech Republic, Sweden, and Turkey.

Sister Merryl from Oregon will be joining me in Turkey and what a blessing that will be!

Prayers are appreciated and a big thanks to those who have prayerfully and financially made this trip possible!

Youth Lessons

My "home" church is *Restoration Fellowship* online and we have youth lessons most Sundays that several sisters do. You can find the replays here if you would like to share with your children or Sunday School class. (They are great lessons for the young and young at heart!) [YOUTH LESSONS](#)

Since we are currently going through Genesis, my last lesson was on creation and animals. As believers, even young ones, we must be able to share the history of God's biblical creation.

Encouraging Correspondence!

I've been looking for some good insight on this subject. Thank you. (YT - "[Christians and Entertainment](#)")

I Really think people do not use their Brain correctly because if they did they would understand that Nothing Evolved and that It was Created & Made by a TALENTED CREATOR , Every One & Thing are All of its Own Kinds with Many Different Varieties , we Never see a Change in that which God Created only a Variety of Different Kinds and for those who believe otherwise we the peoples should be able to continue to see this so called Evolution still Evolving to this very Day but we cannot see anything Evolving! Thanks for bringing this to the table Tracy Blessings sis. (YT SHORT - "[Evolution or Creation \(Animals\)](#)")

Thanks Tracy! Very well put together. Something from nothing just doesn't make sense! One must have a lot of faith (actually, too much faith!) to believe in evolution. Remain blessed. YT - [Evolution or Creation Youth Lesson](#)
