Book Printing

This year we need to reprint 2 books in **Russian**:

“Our fathers Who Aren’t in Heaven”
and *“The Doctrine of the Trinity, Christianity’s Self-Inflicted Wound.”*

This [donation link](#) is specific to the printing of these books in Russian. Thank you!!!

How often do you hear this phrase for people who serve in the military or police forces, “Thank you for your service?”

As Christians we should be thanking even more those who sacrifice their whole lives to serve God and answer the call of Christ to go to the nations.

They sacrifice not only their lives, but the lives of their families as well. Career missionaries’ children sacrifice a lot too, as do the missionaries when they get older and don’t have much of a pension or material things to fall back on as most do when they reach retirement age.

I was blessed to meet the Clarks a number of years ago and help them with their last missionary journey when they went to Peru with Alane Rozelle. They also participated in one of the first live KOG Missions Conferences in Tennessee, and one year they were the guest speakers at the MN Missions conference.

Carey and Jenny first entered the mission field when they were in the UPC church in 1951 shortly after

they were married. After coming to the knowledge of biblical truth of 1 Corinthians 8:6 and John 17:3 (one God the Father & the human Jesus), they longed to take this simple truth to the world.

My heart agonized with them wanting to be able to return to the places where they once preached things that they now saw as another gospel.

Even when they were unable to travel, they ministered to their Hispanic neighbors and friends and their heart for the lost never wavered

When you have been called into ministry, you never retire, but how you do it may change over the years.

The Clarks moved to Minnesota to be near family and in March Carey turned 90. I was blessed to be able to go visit them and reminisce of mission days gone by.

Their passion for missions no matter their age, and their undying love to draw people to God’s Messiah, has inspired me to continue daily in the fields that are ripe. **Thank you Carey and Jenny for your service!**

2 New Brothers & 1 Sister

**Welcome to the family,
brother Ruslan!**

Maksim traveled for 2 weeks, baptized 3 people, visited 5 people in three different prisons, visited 2 sisters and a brother, and met with 7 people with whom he has been corresponding. April has been busy!

Maksim traveled 2 day by train to Irkutsk and an hour and half by bus to get to where brother Ruslan lives.

The brothers met in the hospital where Maksim ministers. At first Ruslan resisted and even cursed Maksim, but after praying, he felt God told him to listen to him.

He was in the hospital for 6 months so they had plenty of time to talk. Three months after he returned home and with continued conversation, he called Maksim and told him that he repented and wanted to be baptized.

Maksim also had the opportunity to share the Bible and our Kingdom hope with Ruslan's friend. Please pray for brother Ruslan as he continues to grow in his faith, as well as for his friend.

After spending time with Ruslan, Maksim went to another town where he met with 2 former Jehovah's Witnesses and another man that he has been corresponding with, as well as visiting 2 different prisons meeting with 2 men in each prison that he has been

corresponding with for several years.

He then traveled a day and a half by train to Novosibirsk where he baptized brother Aman. Aman then baptized his wife, sister Gozel. They met Maksim online about 5 years ago and are from Turkmenistan.

They had researched many Christian confessions, but saw the truth Maksim shared and liked that he was not pushy.

He also visited sisters Natalia, Alla, and brother Arkady, as well as visiting a man in prison and 4 people he has been corresponding with.

Then he traveled 12 hours by train back home.

Pakistan Evangelism Trip

Thank you to all who generously donated to make this evangelism trip possible!

Pastor Pervez and brother Nazir went back to Faislabad to preach to those to whom they have shared with on other trips.

This trip they were also sharing about the freedom we have in Christ as Christians and that we are not to remain in bondage to the Law given to Moses.

They also visited new churches (trinitarian) that invited them to come share about the human Messiah and the one God, the Father.

They have been discussing these biblical truths with a pastor named Haleem. He understand them and sees them in Scripture, but he is not ready to accept the truth and preach it to his congregation. He fears people will leave him and the church. Please pray for conviction and boldness for Pastor Haleem.

Also pray for Pastor Haroon as he continues to try to convince biblical unitarian pastors and ministries to let go of the teachings of Torah and to embrace the teachings of Messiah and his disciples. Haroon is patient, yet does not compromise truth for the sake of fellowship. **Thank you for your service, brother!**

Comments from my presentation at Theological Conference

Perfectly structured presentation, we appreciate the visuals too. She wins the PowerPoint Award for 2025. Thank you Tracy! You are a great teacher! Thank you sister, I appreciate your hard work. (YouTube: "[2 Resurrections with 1000 Years In Between](#)")

Tracy thank you for all your hard work on your presentation. This timeline of HOPE means a lot to me as I have had and continue to suffer in this mortal body. Only the resurrection into immortality to live with my Messiah is my hope. Thanks again for your hard work and your teachings. So blessed to call you "sister". (YouTube: "[2 Resurrections with 1000 Years In Between](#)")

WOW!! My wife and I have just finished watching your presentation. I turned to her and said "I simply cannot explain it any better than this!" So no doubt we will be watching it again and again and again. Godspeed Tracy in all that you say and do! (YouTube: "[2 Resurrections with 1000 Years In Between](#)")
