### Russian Book Re-Printing

*"Our fathers Who Aren't in Heaven" and "The Doctrine of the Trinity, Christianity's Self-Inflicted Wound."*

Please consider donating. This [donation link](#) is specific to the printing of these books in Russian. Thank you!!!

We have several online Bible studies and some of the people who attend were blessed to gather in Atlanta in May for two wonderful days of fellowship and teaching.

All were refreshed, encouraged, and grateful for all the Restoration Fellowship church family did - for opening their homes, and for preparing meals and lessons.

As Pastor Baldwin said Sunday morning after the church service, "I don't know the last time I was in the same room with 26 like-minded believers," and we all agreed. What a precious gathering of the church! Many of those who came have never gathered with more than a few brothers and sisters in person.

After sharing lunch together we went to a near-by lake and 3 people were baptized (or re-baptized).

We enjoyed the beauty of Barbara's garden and some flute music by Michele. (You can see some of Barbara's flowers that were in bloom in this [video](#).)

Some of the ladies from our women's Bible study came a day early with their families and we enjoyed a day together at Michele's.

Monday Anthony and Carlos taught two lessons and we were blessed with solid teaching and good biblical discussion. I will share links after the videos are edited.

You can watch the [replay](#) of the excellent message from the Sunday church service.

We all had a blessed couple of days together and look forward to Jesus' return and the coming Kingdom. A big thank you to Anthony and Barbara for opening their home, as well as to Carlos and Sarah, and Michele!

We appreciate your service not only to the unsaved, but to the brethren as well!

Thank you also to all who took the time to come and fellowship together! God was glorified and we were blessed!

# Another New Brother & Sister in Russia

## Welcome to the family, sister Faziliya!

*Pastor Maksim flew to Ufa to visit sister Tatyana and her third cousin, Stepan. Little did Maksim know that when he arrived there would be great news.*

Maksim baptized sister Tatyana 9 years ago, along with her second cousin Oleg and her friend's son Simon.

Sister Tatyana continues sharing her faith and I am sure she will hear, “Well done good and faithful servant!” She certainly has not buried the “talent” she was given.

Maksim was introduced to Stepan about 6 years ago and met him once. Over that time he has been studying with him, and you can imagine his great joy when Stepan met him at the bus station and told him he had great news to share with him. When they arrived at his house in a small town he shared that he had repented two weeks ago and wanted to be baptized. (Stepan didn't want his picture taken so we will have to wait to see him in the Kingdom.)

As you can see from the picture below, books are very important to them and an instrumental tool in teaching and for people to grow in their faith. The three brethren had a wonderful time of fellowship and study together.

Maksim was going to stay with them for a week and a half, but the second day there he got a phone call from Faziliya telling him that she had repented and wanted to be baptized and wondered when he could do that since she lived so far from him. The amazing thing was that Kazan was not far from where he was and he told her that he was “nearby.” So Maksim ended up staying a week with Tatyana and Stepan and then spent another week with Faziliya.

Maksim met Faziliya 3 years ago in the hospital where he ministers. Unfortunately she ended up moving to Kazan to live with some relatives, but they continued to study together over the phone.

Sister Faziliya was very grateful for the books!
