## Proclaiming the Gospel of the Kingdom 44 Years

# Restoration Fellowship

Join us Thursday, June 26 at 7:30 pm EST for an exclusive interview with founder of Restoration Fellowship, Sir Anthony Buzzard.

The interview looks at the history of Anthony’s faith journey and his ministry, as well as the present RF ministry, and then what the future holds.

Restoration Fellowship was started by one man writing and teaching and it became a team of people focusing on Kingdom evangelism, as well as bringing together like-minded believers.

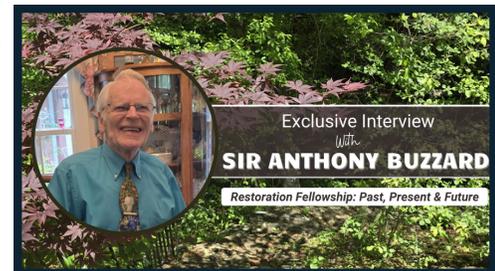

Restoration Fellowship is one of the few ministries which remains true to Jesus’ Kingdom teaching and refuses to compromise biblical truth and the whole of Jesus’ teachings, for the sake of popularity or numbers.

Anthony has written many books

and articles that you can find on their [website](#). Many people around the world have translated his books into their native tongues so that their countrymen can hear the Gospel Jesus taught on the Kingdom, and so that they can also know the one true God, his Father, and ours.

The interview was recorded but will be streamed live and we will be in the chat to engage with your comments. Join us for a delightful evening and celebration of 90 years!

*Thank you for your faithful service, Anthony!*

## Food Help & an Interfaith Preaching opportunity

As we have said before, we just make the various needs known to you, whether ministry or other needs, and as God puts on your heart to give, we pass it on. 100% of the received donation goes to where it was designated.

Our main focus is ministry and missions and we realized we could never help everyone with personal needs, but from time to time, as Paul shared when he was on his missionary journeys when he saw the brethren in need, we do as well.

**We offer a big thank you to all who donated last month to help the brethren in Pakistan.** Inflation hit hard the past few months and those with less didn't have much to eat. The church was able to give them much needed flour & other products.

As Scripture says, “If a brother or sister is poorly clothed and lacking in daily food, and one of you says to them, “Go in peace, be warmed and filled,” without giving them the things needed for the body, what good is that? So also faith by itself, if it does not have works, is dead.”

They are very grateful and ask for continued prayers. 🙏

**Brother Pervez was blessed with an opportunity to attend an interfaith conference with Hindus, Muslims, Sikh, and Christians, in Pakistan.**

Each speaker had the opportunity to share their faith and what they believed. The emphasis was on finding out what others believed and how there could be dialog without violence.

The main purpose of interfaith harmony is to promote understanding and appreciation of diverse religious beliefs and practices, which can help prevent violent extremism. It can also help people challenge extremist ideologies that often promote hatred and violence. (This is much needed in Pakistan!)

Brother Pervez shared his biblical faith with the people and learned about their different religions and cultures. All came away appreciating the similarities and differences between each other's faith.

Brother Pervez boldly shared about God's love, the Kingdom of God, and the Father's son, Jesus, the human Messiah. He is also invited from time to time to trinitarian churches to share the same biblical topics. Please continue to pray for him and the other pastors and evangelists who share the faith of Jesus; they do so often at risk of their own well-being.

Please continue to pray for wisdom and opportunities for Maksim, and for him as he is planning his summer travels to visit the brethren. Thank you!
