## Loyal, Self-Sacrificing, & Faithful to the Call

Many are called, but only a few respond, and even fewer last beyond “boot camp!”

**Are you looking for meaning and purpose in your life? Adventure?**

Consider nailing your flesh to the cross and free-falling into a life of Kingdom-focused service to God and Jesus and giving your life to serving the saints.

There is nothing more exciting and rewarding, and no retirement plan can even come close to what is banked in heaven for the faithful servants of our Lord and Messiah.

Maksim gave up boxing and a career as a lawyer to respond to and give his life to the last command of Jesus. *“Make disciples and teach them to obey everything that I have commanded.”*

He willingly laid down his life and took up his cross and faithfully follows Jesus day in and day out. His ministry is multi-faceted as we have shared before, and it doesn’t stop until his head hits the pillow at night.

Ministry is not exotic as many envision. Some days it can be exhausting and painful. It can seem mundane at times, and exhilarating the next moment.

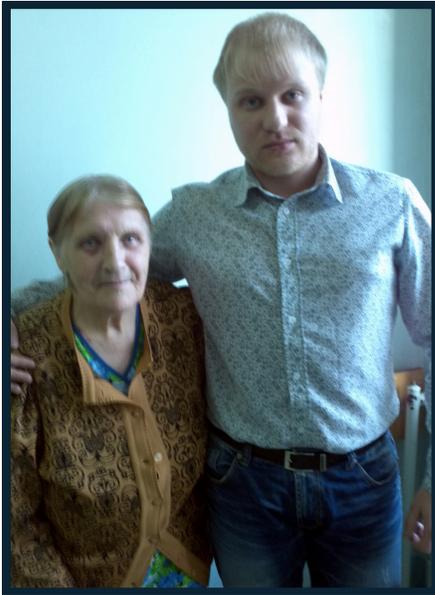

You are on a mission, the greatest mission ever. The fields are ripe, but the weeds are many. There are enemies wanting to destroy you and your flock. But your commander leads the way and gives you strength.

Pulling people from the fire, giving others a lifeline who are drowning, guiding the blind, all with the Kingdom hope and with the words and compassion of Jesus.

There is no better role model for the young and old alike. We all have different callings and different ways that we serve, all very important to the mission Christ gave the church, but the call still goes out to enter the ranks on the front lines. Is Jesus calling you to serve in this way? Are you one of the few who will trust him with your life and respond?

***Thank you, Maksim, for responding to the call and for your service!***

# Russian Ministry Trips

In June Maksim traveled to sister Tatyana’s house and visited her and her cousin, sister Vera (Vera in photo on left from 2014). He helped Tatyana with her yard and garden and was blessed with good home cooked meals. They all enjoyed biblical discussion and fellowship.

In July Maksim traveled to visit and encourage our new sister Faziliya (photo to right) and to baptize a new brother, Sergei. He was also meeting with people he has been corresponding with in these various locations.

Brother Sergei left his role of deacon (of over 10 years) after hearing of inappropriate behavior in the church. He later met Maksim in the hospital, about 5 years ago.

We’ll share more details in the August newsletter about this trip.

## NEW Biblical Unitarian – Kingdom Focused Store

Evangelism and “seed” planting never got easier! People don’t have a choice but to read your t-shirt as you stand in a checkout line! Most people don’t care and won’t say anything, just like in any other outreach, but, you are planting seeds and giving people the opportunity to ask you questions about your faith. It takes the fear away from approaching people and it weeds out those with no interest.

We have men’s, women’s, youth, and baby apparel, as well as drinkware and home goods. New items keep getting added so check back from time to time.

Visit our new “Kingdom Wear & More” store and check out the new merchandise! After a year of poor service, we moved “locations” and have been very pleased with the speed of delivery and quality of the products.

I opened this store because I personally wanted evangelistic merchandise, and I thought others might also. Paul made tents, and I make shirts (etc.); and I think you will look better in a t-shirt, than in a tent! The proceeds go toward kogmissions.com ministry and help keep this full-time Kingdom ministry going.

If you have any requests for certain designs on other apparel or any questions, please reach out to me at [info@kogmissions.com](mailto:info@kogmissions.com).

Wearing or using this merchandise is an easy way to plant seeds and possibly engage in biblical conversation. **Please reach out and share any interesting interaction you encounter!**

*It was so exciting. Loved it. Great job Tracy in keeping it going and getting questions that we would have asked. Thank you. (YouTube: "[Interview with Sir Anthony Buzzard](#)")*

*I loved it Tracy! Effective interviewing is among your many talents. You covered so many interesting topics and background that I've often wondered about. Thank you for concluding with the family. They truly make a wonderful team that are bringing amazing results. (Email: "[Interview with Sir Anthony Buzzard](#)")*

*I just watched your video "7 Things to Consider if You are being Disfellowshipped or Excommunicated" and I felt like it was especially for me. In my circle of people closest to me, I've already had 2 people tell me that they don't want to talk to me about God because I think differently than they do. I think this makes them uncomfortable. And so far I have had an approach like in Lk. 9:5. I was very reassured that you think the same way.
