## New Sister in Russia

## Welcome Lydia!

Brother Andrei was baptized back in 2022 and at that time his wife had no interest in his faith. After seeing how he had changed she became very interested and spoke often with Pastor Maksim. Praise the Lord she too decided to follow her husband in the faith of Jesus and wanted to be baptized. Maksim spent about 2 weeks with them before taking a train to Kazakhstan to visit others.

Maksim spent about 4 weeks or so visiting brethren before winter arrives. He took a train 24 hours to Krasnoyarsk to visit brother Ivan. Ivan traveled there where he had relatives and wanted Maksim to share with them the Kingdom hope and biblical truth. Maksim spent about 10 days there before taking a 20 hour train ride to Barnaul to baptize sister Lydia.

While in Krasnoyarsk he also visited a young couple, an elderly man, and a young man from his internet group.

After another long train ride he arrived in Kazakhstan where he spent several days with brother Evgenii and then traveled with him to visit sister Olga, who is a former Jehovah's Witness. Then he traveled home.

Thank you for your prayers, Maksim greatly appreciates them and that you help make these ministry trips possible!

# Urgent Needs in Pakistan

Pastor Haroon has been quite busy since he arrived in Pakistan and there have been many unplanned and sad events.

His mother died a few days after arriving and then the government would not renew their license because they don't have a church building or at least an office.

He hired a lawyer who can get the license back if they get an office. Praise God Haroon's father had a small empty space that would be suitable and he is leasing it to them for free the first 6 months. Now they have to update it and do the government requirements to make it an office.

Plans have changed but his fervor for continuing the ministry have not. He has been meeting with local believers, pastors, and evangelists, encouraging them in the faith of Jesus Please continue to pray!

He has also spent time at the school teaching the children and did an "everybody birthday party" since none of the children ever celebrated their birthdays due to poverty. (His heart was crushed when he heard this and wanted to do something special for them.)

Please consider [DONATING today](#) to help with the expenses in fixing the office up. **The need is URGENT.** Thank you!
