2026 UK Ministry Trip

After Merryl and I left Pakistan, we flew to London where we met up with Ron and Nancy for the second part of our ministry trip where we hoped to encourage and strengthen the scattered saints in the UK.

We all are part of online Bibles studies and fellowship and it was a blessing for us as well to meet and spend time with the people we see online each week! It made everyone long for the Kingdom to come even sooner!

The next morning we took a train to Dorchester where we rented an AirBNB so we could all be together. A dear sister and brother in the faith lived near there and others traveled to join us, even from Denmark.

We shared meals together and had wonderful fellowship. Nancy led a devotion and we were blessed to have days and evenings together to discuss biblical topics and encourage one another in the faith.

Encouraging the Saints in the UK

After several days of experiencing a bit of the early church life together, we returned to London where we met up with other brothers and sisters.

We had a lovely evening together with food and fellowship, and the next day several of the brethren showed us around London. It was a true blessing to spend time with like-minded believers. That evening we shared another meal together and met a new brother who was a great blessing to get to know. He now joins our online Bible study as well.

I have had great joy and encouragement because of your love, for the hearts of the saints have been refreshed through you. (Philemon 1:7)

They strengthened the souls of the disciples and encouraged them to continue in the faith, saying, "We must enter the kingdom of God through many persecutions." (Acts 14:22)

My goal is that their hearts, having been knit together in love, may be encouraged... (Colossians 2:2)

Ministry and missions is two-fold. We must evangelize, preach, teach, and disciple people, but we must also encourage the saints to stand firm and endure until the end so that they will receive the crown of righteousness when Jesus returns.

We must encourage each other to continue to stand for the faith of Jesus, all of it, even if it means that we stand alone. We must show this kind of love one to another.

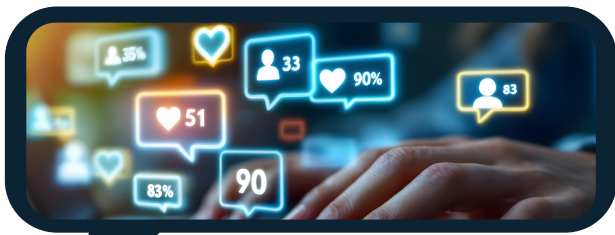

Russia

Thank you for your continued prayers for Russia and the surrounding countries, and for your support and prayers for Pastor Maksim and God's ministry there.

Maksim is visiting Novosibirsk this week and will spend some time encouraging sister Natalia and brother Arkadi.

He will also spend time with a couple that is coming from Kazakhstan that he has been in contact with for five years. They are from Tadzhikistan and former Muslims (not really practicing) who were with a Pentecostal church for some time. They wanted to see Maksim again and discuss more Scripture. Maksim met them when their son was in the hospital 5 years ago.

Please pray for understanding, especially since Russian is not their native tongue.
