Taking the Teachings of Jesus to the Nations & Connecting Like-minded Believers

Pakistan Ministry Update

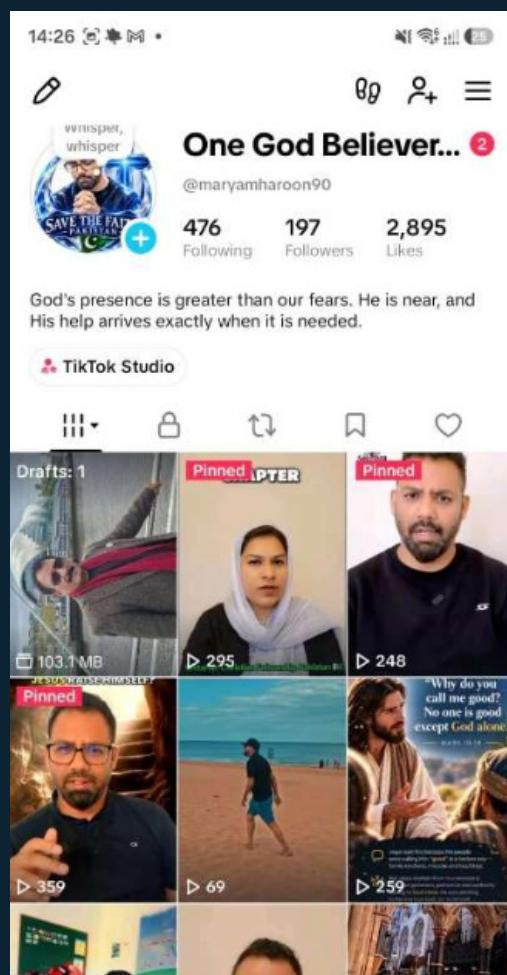

Since Merryl and I visited Pakistan in January 2026 we have been working with Haroon and Maryam planning on how to best proceed in ministry. As in most countries, even here in America, there are changes and challenges that shape how ministry grows. We must continually evaluate our ministries and how we can most effectively serve God and those we minister to.

We are working on a monthly schedule, and as they go forward the focus will continue to be travel to various cities and villages where the team will visit those they met and studied with on previous visits, and they will do other outreach as well.

As mentioned before, the team would like to begin working more intentionally with young people. They want to disciple and equip them for life and service, encouraging them to use their different abilities and talents.

They will also be focusing on organizing women's workshops and fellowship activities where the sisters can learn from Scripture, study, and encourage one another. They want to create opportunities where the sisters can grow spiritually and disciple other women.

Since 2019, Maryam, Haroon, and Pervez have produced Bible-teaching videos for YouTube and Facebook in both English and Urdu. This year Haroon has also added TikTok to that list. From these videos they develop contacts not only in Pakistan, but in the UK as well. Haroon and Maryam not only lead the ministry in Pakistan, but they also do outreach and visit interested people

to discuss these precious truths. Please pray for the work as we finish out 2026 and move on into the new year.

Go, make disciples, & teach them to obey everything Jesus taught!

What's Your Focus?

As a follower of Christ, what is *your* focus in life? How does that focus dictate what you think, say, and do, daily?

Many people think following Christ means wearing a cross or going to church on Sunday. Jesus told us that if we want to follow him we must pick up our cross, sacrificing our desires and plans, and we must actually "follow him" - that is, live in obedience to what he taught. This does not mean that everyone must go on the mission field, become a pastor, or teach Sunday school (although he may call you to do these things), but we must all be prepared to give an answer to the HOPE that we have. (What is *your* hope? Is it Jesus's?)

Sadly, many claiming to follow Jesus, don't even know the hope that he preached and taught. Many follow a false hope, another gospel; and those things will be a dead end, in the end. They do not lead to forgiveness or life in the coming age when Jesus returns. If we want to follow Jesus, we must know who he is and what he taught. You cannot believe in someone if you do not know him, and you cannot follow someone if you do not know where they are going. You cannot love and obey someone if you don't know what they believe. We must know and follow Jesus and *his* faith!

Prayer Ministry & Russian Update

Please continue to pray for our brethren in Russia, Ukraine, and the other Russian-speaking countries where we have brothers and sisters.

Maksim will be visiting brothers and sisters in Kazakhstan in October. Please pray for his travels and for any brethren who may be traveling to meet together.

In addition to traveling and outreach (social media, website, & in person) Maksim persists in his ministry at the hospital and at a local orphanage. He continues to be a "big brother" to his "little brother" from the orphanage, helping him with his school work and spending every other weekend with him when he isn't traveling.

Maksim also has a Bible and written literature ministry to prisons and he corresponds with inmates and anyone else who reaches out to him.

Please pray for opportunities, wisdom, and protection as Maksim faithfully serves our Father and the brethren 24/7.
